READ—the following papers:—

I

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—Madras, the 19th January 1916.

No.—Ref. on Cur. 9456/1915.

I have the honour to request that you will be so good as to obtain the sanction of Government for the employment, with effect from 1st March 1916, of two additional teachers, one on Rs. 75 per mensem and the other on Rs. 30 per mensem plus Rs. 6 local allowance (outside the cadre of sub-assistants and supervisors), in the Government training school, Bellary.

2. The Inspector of European and Training Schools reports that there are at present 40 Canarese and 77 Telugu students in the training section of the school and 63 Canarese and 30 Telugu pupils in the model school, that the pupils are at present all taught Telugu and that it is not possible to arrange for separate lessons being given in Canarese with the present staff (vide details noted in the margin) though the number of Canarese pupils on the rolls warrants this step. He considers it therefore necessary that arrangements should be made for imparting instruction both in Telugu and Canarese in the following subjects, besides separate model and criticism lessons, and that the staff should be strengthened:—

(1) Language, (2) Mathematics, (3) Kindergarten, (4) Geography, (5) Elementary Science, (6) Physiology, (7) Nature study and (8) Civics.

I am fully convinced of the urgent need for strengthening the staff. Most of the teachers in the school know both Telugu and Canarese and when I visited it last year I found them teaching the training classes in both the languages so to speak simultaneously with very obvious confusion and waste of time. I consider therefore that the employment of two additional teachers, one on Rs. 75 per mensem for the training section and the other on Rs. 30 plus Rs. 6 local allowance for the model school, is absolutely necessary. The local allowance proposed is the maximum rate admissible and will not be granted as a matter of course.

3. If the proposal is approved I request that the necessary provision may be made in the budget estimate for 1916-17.

2. The scale of the existing staff of teachers detailed in paragraph 2 of the letter of the Director of Public Instruction has been compared with the registers of this office and is correct.

3. If Government accord sanction to the proposal, orders regarding the provision of funds in next year's estimates should issue from the Financial Department.

G. C. HART,
Deputy Accountant-General.

To the Secretary to Government, Educational Department.

Order—No. 344, Educational, dated 29th March 1916.

The Government sanction the employment, with effect from the 1st April 1916, of two additional teachers, one on Rs. 75 per mensem and the other on Rs. 20 per mensem plus a local compensatory allowance of Rs. 4 per mensem, in the Government training school, Bellary. This sanction has been registered as No. 11 of 1916-17.

2. The necessary provision will be made in the budget estimate for 1916-17.

NOTES CONNECTED WITH G.O. No. 344, EDUCATIONAL,

From the Director of Public Instruction, dated 19th January 1916, No. 9456.

The Director's object in proposing additional establishment is to make arrangements for imparting instruction both in Telugu and Canarese in most of the subjects, besides separate model and criticism lessons. The present staff consists of four teachers for general instruction in the training section besides five teachers in the model school. According to the Director's proposal there will be two divisions, one for Telugu students and the other for Canarese students in each of the classes. This being so, it is not clear how the addition of only a single teacher to the training section and one to the model school will secure the object in view.

For orders whether the Director of Public Instruction may be requested to elucidate this point.

S.A.—7-2-16.

V.S.—7-2-16.

I do not think that a further reference to the Director of Public Instruction is necessary. Please draft order sanctioning his proposals so that we may send it on to Financial for acceptance.

P. RAJAGOPALA ACHARIYAR—8-2-16.

A draft order is submitted for approval. It may be sent to Financial for acceptance.

2. As regards the question of funds it is observed that the total cost amounts to only Rs. 1,332 per annum. The necessary provision may be made in the budget estimate for 1916-17 and the amount of probable savings increased correspondingly so as to leave the total unaltered.

FINANCIAL DEPARTMENT.

The extra expenditure involved in this case, viz (Rs. 75 + 30 + 6) = Rs. 111 per mensem or Rs. 1,332 per annum, under *permanent* establishments, has apparently to be considered as one of immediate and imperative necessity.

2. *Proposed permanent teacher on Rs. 75.*—For the *temporary* teacher recently sanctioned for the *secondary training* schools at Calicut * and Mangalore † a pay of Rs. 60 only has been adopted; submitted that Educational may be requested to be so good as to consider whether a similar rate would not suffice in this case.

3. *Proposed teacher on Rs. 30 + 6 local allowance.*—The lowest rate of pay of the model school teachers in the Bellary Training school for Masters is Rs. 20 together with a maximum local allowance of Rs. 4 per mensem. With a view to economy, a

L.E.K.—16-2-16.

post on this rate of emoluments would appear to suffice. Educational may, it is submitted, be requested to consider this point also.

L.E.K.—16-2-16.

It will have to be stated in the draft order that the local allowance is "compensatory."

4. *Provision of funds, 1916-17.*—On receipt of a copy of the Educational Department proceedings in this case, the Accountant-General may be asked to enter

the necessary provision in the next year's budget without altering totals.

5. The draft may, it is submitted, be accepted, subject to the remarks in paragraphs 2 and 3 ante, the sanction being registered as No. 11 of 1916-17.

L. E. KERSHAW—16-2-16.

This can hardly, I think, be regarded as so urgent that it cannot wait for a year. Besides I share the doubt felt by the Educational office. If the school is going to be split into Telugu and Canarese sections how can two Canarese men teach all the subjects which now engage nine men? Obviously they cannot and this seems merely a prelude for asking for a complete staff of Canarese men.

Are separate Canarese classes to be held in the eight subjects mentioned by the Director of Public Instruction? Don't the Canarese boys know Telugu also? Probably most of them do. I think we must ask for a fuller exposition of the Director of Public Instruction's intentions.

OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION.

I proposed a pay of Rs. 75, because it would be difficult to get a L.T. teacher for less and since he is to take the training students, he should be well qualified.

2. I do not think it necessary to insist on Rs. 30 + 6 for the other teacher, who is to be employed in the model school. Rupees 20 + 4 would probably secure a man who would do.

3. The proposed additions to the staff will certainly not enable all the classes to be systematically divided into Canarese and Telugu sections, but the Inspector considers that it is sufficient and may, I think, be trusted to employ the new teachers to the best advantage to diminish the inconveniences that result from the bilingual character of the school.

J. H. STONE—29-2-16.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

Submitted that the Director of Public Instruction's note above may be forwarded to Financial with reference to the Chief Secretary's note on page 2 ante. The Director of Public Instruction has already stated that he is convinced of the urgent need for strengthening the staff of this institution, as he saw at the time of his inspection that the system of teaching the training classes in both the vernaculars (Telugu and Canarese) caused confusion and waste of time. The urgency of the proposed measure may therefore be admitted; the Director of Public Instruction admits that it is a half measure, but as he says that the Inspector will manage with this small addition, the reduced scale now recommended (one teacher on Rs. 75 and one on Rs. 20 + Rs. 4) may perhaps be sanctioned.

V.S.—7-3-16.

Will Financial please consider what the Director of Public Instruction says above? There is much force—so far as I consider—in what Mr. Stone says.

P.R.—10-3-16.

To the Financial Department.

FINANCIAL DEPARTMENT.

Submitted with reference to the Chief Secretary's note, dated 19th February 1916, on page 2 ante. It is for orders whether, in the circumstances explained by the Director of Public Instruction above, and in view of the Educational Department notes above, the incurring of expenditure immediately on account of the additional staff may be accepted in Financial.

2. If it is decided to employ the additional staff immediately, the rate of pay proposed, viz., Rs. 75 for the teacher for the training section is also submitted for orders. Please see paragraph 2 of Financial office-note on page 2 ante and paragraph 1 of Director of Public Instruction's note above. The Director of Public Instruction remarks that it would be difficult to get a well-qualified L.T. teacher for less than Rs. 75 and hence proposes that rate of pay. It is however submitted that

Paragraph 4 on page 2 of G.O. 720, Educational, 3rd July 1915.

thought a pay of Rs. 60 sufficient and following this precedent, a pay of Rs. 60 only has been adopted for the teacher employed in the Mangalore Secondary Training section. It would thus seem sufficient if a pay of Rs. 60 is allowed for the teacher

L.E.K.—13-3-16.

ment later on if a suitable teacher is not actually available for a pay of Rs. 60.

For orders.

F.A.—13-3-16.

C.P.K.—13-3-16.

L. E. KERSHAW—13-3-16.

Very well, if Educational is satisfied.

A. BUTTERWORTH—16-3-16.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

For orders whether the suggestion of Financial to fix the pay of the new graduate teacher at Rs. 60 should be approved. It may be observed that in noting on the question of the insufficiency of the pay of the teachers in secondary schools brought to notice at the informal conference of His Excellency the Governor with the educational officers of the Chittoor, Cuddapah and Kurnool districts in July last the Director remarked that the Ceded districts did not produce a sufficient supply of teachers for their needs and had a difficulty in getting a supply from outside. Bellary is included in the Ceded districts and it will be difficult to get experienced L.T.'s. on Rs. 60. It may therefore be desirable to fix the pay of the additional teacher at Rs. 75 as proposed by the Director of Public Instruction.

2. If it is, however, decided to adopt the suggestion made by Financial, the draft order, as altered in pencil, is submitted for approval. It may be sent to the Financial Department for noting the number of sanction.

S.A.—18-3-16.

V.S.—18-3-16.

I would beg of Financial to reconsider the decision in regard to the pay of the L.T. teacher. Calicut is different from the Ceded districts. There is never a dearth of educated men in the former. Educated men are badly wanted in the latter. The

Director of Public Instruction says that it would be difficult to get a qualified L.T. for less than Rs. 75. The man is wanted for teaching training students. A novice will not do for that purpose. Draft for favour of acceptance and noting sanction.

P. RAJAGOPALA ACHARIYAR—21-3-16.

To the Financial Department.

FINANCIAL DEPARTMENT.

We may defer to the wishes of Educational Secretary and accept the draft.

Submitted that the draft order may now issue.
