READ—the following papers :—

I

Letter—from the Hon'ble Mr. J. H. Stone, M.A., C.I.E., F.R.H.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 29th February 1916.

No.—Ref. on Cur. 1596.

With reference to G.O. 666, Educational, dated 17th July 1913, I have the honour to submit the applications with the certificates, etc., of the undermentioned candidates for the Government of India State scholarship for 1916 for a domiciled European or Anglo-Indian girl or woman tenable in England :—

(1) *Miss Leonara Philipsz.*—Age 24. Appeared for the B.A. Degree (Honours) Final examination in April 1915, but was recommended only for the B.A. Degree under Regulation 206 of the University of Madras, i.e., she has been allowed the ordinary degree. Is now a student in the L.T. class in the Teachers' College, Saidapet. Wishes to enter Cambridge University for training of secondary character for the teaching profession, for training as music mistress and for training in Kindergarten methods. She was an applicant last year also—vide my letter R.C. 788, dated 9th February 1915, read in G.O. 308, Educational, dated 17th March 1915.

(2) *Miss Ellen Richardson Marshall.*—Age 26. Passed the B.A. Degree (Pass) in April 1915. Wishes to undergo training as a teacher of modern European languages. An application for the scholarship in the prescribed form, a certificate of physical fitness, etc., have been called for and they will be submitted on receipt.

2. Miss Marshall has had a more satisfactory University career than Miss Philipsz, and I beg to recommend her nomination for the scholarship.

ENCLOSURES.

(1)

CENTRAL COLLEGE, BANGALORE,
14th September 1915.

I have much pleasure in certifying that Miss E. R. Marshall studied in this college for four years. She made most satisfactory progress in her studies and passed Part I of the B.A. Degree examination of the University of Madras in April 1914 and Part II (two languages) in April 1915. Before finally selecting branch VI of the courses in Part II she studied physics and chemistry for nearly two years.

I have a very high opinion of her character and ability, and I can recommend her strongly for a Government of India scholarship to enable her to continue her studies in England.

J. G. TAIT,
Principal.

(2)

CENTRAL COLLEGE, BANGALORE,
24th September 1915.

Miss Marshall was a student of this college in the B.A. classes for the last three years. She passed the English part of the Madras B.A. examination in April 1914 and the two languages (Latin and French) part this year. In the English part it is my opinion that her very fair

chance of securing a first class was prejudiced by the sudden and dangerous illness of her mother at the time of the examination. Miss Marshall read French with me and Latin with the Principal, Mr. J. G. Tait. The B.A. courses in these languages demand a thorough knowledge of these languages except in the speaking of French, the syllabus having no provision for any oral test.

Translation and composition, philology, grammar, idiom, and syntax and a close study of several texts with a sound knowledge of the authors' places in French literature and the evolution of the "Genres Littéraires" they represented form the basis of the demands made by the syllabus. Moreover, grammar, idiom and syntax had to be studied closely from the historical point of view. All these demands were met by a thorough and systematic study, extending over the three years, of the most reliable and up-to-date books on the subjects. I found Miss Marshall a very intelligent and responsive student, with a very fair grounding in her work gained by her experience in an Irish school. Her knowledge of English literature naturally helped very considerably in giving her a wide view of the problems and movements of French literary history. Much of her wider general reading in this literary history and literary criticism was done in original French works notably those of Brunetière and Stendhal. In fact, she could have tackled even stiffer papers in French than she actually had to face.

As regards the speaking of French, I consider that a few months' residence in France will enable her to converse fluently and accurately. Although I read aloud as much as possible in order especially to a good understanding of French versification principles and to give her the necessary distinctions of sounds in our philological study, I made no demands on her for any high standard of oral accuracy.

FRANK R. SELL,

Professor of English, Mysore Educational Service.

Miss Marshall was Assistant Mistress in St. Andrew's High School for girls for 15 months, while I was Head Mistress. During the last few months of 1910, Miss Marshall acted as First Assistant and prepared pupils in history, geography, physiology and domestic economy for the High School and Scholarship Government examinations with what promised to be very satisfactory results: but they are not yet published. Miss Marshall also teaches Latin, French and arithmetic. She was beloved by her pupils and fellow teachers and was a very agreeable assistant to the Head Mistress, always ready to do what was required of her. She is very painstaking with her work, conscientious and diligent.

I have much pleasure in recommending her as a teacher and co-worker.

THE SECRETARY TO THE GOVERNMENT OF INDIA

Department of Education

Dated 1st April 1916

Reference is made to the resolution of the Government of India, dated 10th July 1913, regarding the award of a scholarship for educational or medical training for a domiciled European or Anglo-Indian woman.

Miss Marshall is a European and has passed the B.A. degree examination of the Madras University, taking History and Political Economy as optional subjects, and wishes to undergo a course of study in modern European languages at Oxford. She has friends and relatives in England and Ireland with whom she could reside.

It is suggested that a committee of the Government of Madras should be constituted to consider the merits of the case.

I have the honour to be,

Very respectfully,

EDUCATIONAL DEPARTMENT

NOTES CONNECTED WITH G.O. 367-68, EDUCATIONAL,

DATED THE 1st APRIL 1916.

[SUBJECT.—Nomination for the scholarship for educational or medical training for domiciled European or Anglo-Indian women]

From the Director of Public Instruction, dated the 29th February 1916, 1596.

dated the 11th March 1916, 1596.

From the Surgeon-General, dated the 21st March 1916, 45 M/339.

Please see the Government of India resolution printed on pages 2-3 of G.O. 666, Educational, dated the 17th July 1913, for the particulars regarding the State scholarship for domiciled European or Anglo-Indian girls or women. Each local Government have to nominate annually a candidate who has passed the B.A. examination of an Indian University or, in the case of a medical candidate, who possesses an Indian degree in medicine. Till now this presidency has had two scholarships—one in 1914 for educational training and the other in 1915 for medical.

2. This Government have now to submit a recommendation for the scholarship awardable for 1916. The nominations of the Director of Public Instruction and the Surgeon-General have been received and are contained in the current file.

3. The Director of Public Instruction recommends two names, namely, Miss Philips and Miss Marshall. Though both of them are qualified, the Director considers that the latter has had a more satisfactory university career.

4. The Surgeon-General also forwards the applications of two candidates for medical training both of whom have passed the L.M. & S. degree examination and recommends Miss A. G. Allen. It is reported that she is now in the Mysore medical service bound by a covenant to serve that Government for five years, of which she has already served three years and four months, but that that Government have no objection to the scholarship being granted to her on condition that she rejoins the Mysore service on her return.

5. The question now for consideration is whether a candidate for educational or medical training should be recommended to the Government of India. The need for medical relief especially to women in India by women is indeed great; while the study of modern European languages, which Miss Marshall proposes to take up, cannot be said to be so vitally important as medical relief. It is therefore for consideration whether the scholarship may be for medical training and the name of Miss Allen recommended to the Government of India for favourable consideration.

Public (medical) may be consulted.

V.S.—23-3-16.

6. With reference to the oral orders of the Secretary the following further information is furnished.

The two ladies who were awarded this scholarship in 1914 and 1915 were Miss Amy Watts and Miss Daisey Michael. The former had passed the B.A. degree examination of the Madras University taking History and Political Economy as her optional subjects and securing a first class in Latin; while the latter passed the M.B. & C.M. with credit having been placed at the top of all the regular students. She carried away several prizes also.

In 1914 a special scholarship was awarded to Miss K. M. Myers for the teaching profession. She had a brilliant scholastic career and after a three years' course in the Presidency College passed the B.A. (Honours) in English, winning the unusual distinction of being the only candidate of either sex to be placed in the first class.

The present candidates have not secured any such distinction. Miss Marshall is only an ordinary B.A.; while Miss Allen is only an L.M. & S.

V.S.—25-3-16.

None of the four candidates can be said to come up to the standard of the three whom we have already sent up from Madras. The two now sent up by the Surgeon-General are L.M. & S. certificate-holders, whereas Miss Michael had a distinguished M.B. & C.M. degree. As we recommended a medical candidate last year, it seems to me that we may send up one for general educational training this year. Of the two candidates mentioned in Mr. Stone's report, Miss Philips would probably be more useful to us in the Educational Department. Please see what Mr. Hunter and Mr. Duncan say about her. She is younger than Miss Marshall by two years. At the same time the circumstance that the Director of Public Instruction thinks Miss Marshall the better of the two is entitled to great weight. Orders solicited.

P. RAJAGOPALA ACHARIYAR—26-3-16.

I think we may accept the Director of Public Instruction's opinion.

P[ENTLAND]—28-3-16.

From the Director of Public Instruction, dated the 29th March 1916, R.O.C. 1596/16.

A subsequent communication from the Director of Public Instruction forwarding a statement containing particulars about Miss Marshall's parentage, family circumstances, etc., has since been received and is added to the file.
