Station M A D R A S, Dated the 16th March 1916

From (Name) The Hon'ble Mr. J. H. Stone, M.A., F.R.H.S., C.I.E.,
(Designation) Director of Public Instruction,
M a d r a s.

To The Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to submit my remarks on paras 7, 11, 12 (1), (2), and (3), 14 and 20 of G. O. No. 1261 Education Mis., dated 22nd November 1915.

Para 7. -- increasing the number of provincial stipends allotted to the training schools in the Chittoor district.

There is need for more trained teachers in almost all the districts and applications for admission to training schools largely exceed the allotted number of stipends. I do not see why Chittoor should be accorded a more liberal treatment in this matter than the other districts. I would

suggest

that the matter be allowed to lie over until it is found possible to increase the budget allotment under stipends.

Para 11, regarding provision of a higher rate of stipends for Muhammadan Secondary teachers, and the revision of the rates for each class of teachers in each department.

This again involves the question of additional funds and the present time is not therefore opportune to make any change in the existing rates, nor has any necessity for it been made out. Further I am afraid that provision for a higher scale of stipends will not be of much help until the teaching profession is made more attractive.

Para 12 (1).- regarding insufficiency of travelling allowance given to Muhammadan Sub-Assistant Inspectors.

A similar representation was made to me by the Sub-Assistant Inspector, Trichinopoly-Muhammadan Range, in 1914 and he was asked to submit a statement of his actual expenses. On a comparison of the actual expenses incurred by him with the amount paid to him as Travelling Allowance it was found that the Sub-Assistant Inspector was actually making some profit out of his travelling allowance under the existing system.

(2) Difficulty of obtaining efficient clerks for Muhammadan Sub-Assistant Inspectors on the present scale of pay

The minimum scale of pay of the clerks in the offices of Sub-Assistant Inspectors was raised from Rs. 15 to Rs. 20 only in 1913 and no representations have been received so far from any of the Muhammadan Sub-Assistants regarding the difficulty pointed out.

(3) Transfer of the work of preparing the pay bills of Muhammadan Schools etc., from the ordinary range Sub-Assistant Inspectors to Muhammadan Sub-Assistant Inspectors.

This matter will be considered when the re-organization of the Muhammadan inspecting agency is given effect to.

Para 14. regarding Revision of the standard scale of salaries in schools. The anomaly pointed out is due to the grant to all trained and approved teachers in schools under public management an allowance that will raise their monthly emoluments to Rs. 10. I am not prepared for financial reasons to recommend for the change at present in the rates laid down in Rule 82 of the Madras Educational Rules.

Para 20. Claims of Chittoor, Cuddapah and Vurnool Districts for the establishment of training schools for Mistresses. I have discussed the opening of new training schools with the Inspectresses and due attention was given to the claims of these districts.

I have the honour to be,

Sir,

Your most obedient servant,

G. K. S. Srinivasan

For Director of Public Instruction.
