EDUCATIONAL Department.

Sir,

I have the honour to state that it is reported by the Principal, Law College, Madras, that the single set of the Indian Law Reports supplied to the College is quite inadequate to meet its requirements and that it would be convenient if two more sets were supplied to the college beginning from January 1915. The Superintendent, Government Press, whom I have addressed on the subject, wishes me to obtain the sanction of Government for the supply of these Law Reports, complete series. I have therefore the honour to request that you will be so good as to obtain the sanction of Government for their
