From (Name) K.T.B. Tressler, Esq.,

(Designation) Director of Industries,

To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

In view of the Code of Regulations regarding the Industrial Education being now under revision, I have the honor to request early orders whether sanction of scholarships under the existing notification (a copy of which is enclosed) to industrial schools may be continued for the year 1916-17 and whether the notification may be published in the Fort St. George Gazette as it stands.

I have the honor to be,

Sir,

Your most obedient servant,

1916-1917

1916-1917.
GOVERNMENT SCHOLARSHIPS—1916-1917.

IN INDUSTRIAL SCHOOLS UNDER THE CONTROL OF THE DIRECTOR OF INDUSTRIES, MADRAS.

One hundred and ninety-nine scholarships will be awarded by the Director of Industries in recognised Industrial schools and will be tenable in the classes and for the periods mentioned below—
56 scholarships of the monthly value of Rs. 1-8-0 tenable for one year in standard C.
55 scholarships of the monthly value of Rs. 2 tenable for one year in standard D.
60 scholarships of the monthly value of Rs. 3 tenable for one year in the elementary class.
20 scholarships of the monthly value of Rs. 6 tenable for two years in the intermediate class.
8 scholarships of the monthly value of Rs. 9 tenable for two years in the advanced class.

199

The scholarships in Standards C and D and in the elementary and industrial classes will be awarded on the results of the examinations in Standards B, C and D, respectively, and those in the intermediate and advanced classes on the results of the Government Elementary and Intermediate Technical Examinations, respectively. No scholarships will be awarded on the results of the highest examination in any subject.

The conditions of award are as follows:—

1. The candidate shall ordinarily have been a student at the time of the examination and at least one year previously in a recognised Industrial school. *Scholarships in industrial subjects will ordinarily be given only to the members of the artisan castes or to others whose families are already engaged in the trade.*
2. The age of the candidate at the time of the examination shall not have exceeded 16 years in the case of standard C, 17 in standard B, 18 in elementary, 19 in intermediate, and 22 in advanced examination classes. In the case of Muhammadan candidates, the age limit will be raised by two years.
3. The scholarship in a given subject shall be awarded to the candidate who obtains the highest number of marks in that subject, provided that he has passed in the first class. Scholarships will also be awarded to other pupils of promise whose pecuniary circumstances are certified by the head of the school to be such as to prevent them from prosecuting their studies without assistance. The claims of those sections of the community who are most in need of aid, will, other conditions being satisfied, be first considered.
4. Candidates who are preparing for a group certificate or a diploma shall have preference over those who are studying single subjects only.
5. No student shall be allowed to hold at the same time more than one scholarship. If eligible for more than one, he shall elect which he will hold, and the scholarship thus set free will be awarded to the next most deserving student.
6. The candidate shall bind himself to prosecute his studies in the subject in which he has passed and for which he is to receive a scholarship in a recognised industrial school.
7. Scholarships are ordinarily intended for pupils devoting not less than half their time or a minimum of 16 hours a week to industrial work, but the Director of Industries reserves to himself the right to award a double scholarship to pupils devoting the whole of their time to industrial work if he considers that circumstances warrant his doing so.

GENERAL REGULATIONS.

All applications for scholarships awardable under this notification should be submitted to the undersigned by the correspondent of the Institution in which the pupil studied in 1915 through the correspondent of the Institution in which he intends to study on printed forms which may be obtained from this office.

2. All applications for scholarships not dependent on the results of the Government Technical Examinations must reach the Director of Industries before April 15: other applications must be submitted within three weeks of the publication of the examination results on which they depend. Those submitted after the prescribed date, will be liable to rejection for that reason.

3. Any scholarship vacated in the course of the period for which it is tenable will be awarded for the remaining period to an eligible applicant in the same year of study as the holder of the scholarship vacated.

4. The name of selected candidates will be notified by the Director of Industries in the Fort St. George Gazette.

5. Heads of Institutions may grant leave without diminution or loss of scholarship for a period not exceeding one month to scholars who are absent in consequence of severe sickness; but if the leave exceeds this period no allowance is to be granted for the excess period. Casual leave without diminution or loss of scholarship may be granted for good and sufficient reasons for a period not exceeding 15 days in the year, provided such leave does not immediately precede or succeed gazetted holidays. Under the above conditions, leave for scholarship-holders may be sanctioned by the Head of the Institution, but should be reported to the Director of Industries. If a scholarship-holder absents himself without good reason on the re-opening day after the vacation for the Institution, the scholarship for the vacation is liable to be withheld by the Director of Industries.

6. No person receiving a scholarship under this notification shall be permitted to hold another scholarship provided wholly or partially by Government without the special sanction of the Director of Industries. Such sanction will be accorded only for very distinguished merit.

7. Where the order of merit cannot be clearly ascertained a further competitive examination among those who are eligible for scholarships will be ordered.

8. All scholarships tenable under the above rules are liable to forfeiture for idleness, misconduct, irregularity in attendance or failure to make due progress or to secure annual promotion.

11. In addition to the register required to be maintained under rule 60 of the Madras Educational Rules an acquaintance roll containing the following information shall be maintained by the heads of the Institutions concerned and shall be produced at the time of the departmental inspection of the institution :—
