Through the Principal, Law College, M A D R A S.

Sir,

I have the honour to submit the following application for the kind consideration of Government.

2. I had to apply for leave on account of sudden illness, for two months from the 21st July last, on Medical Certificate.

3. Leave was granted to me, without allowances, from the said date. I was able to rejoin my appointment on the 18th of September last, with the permission of the Principal, having been absent for a period of one month and twenty-seven days.

4. I was not granted any allowance for the period of leave, apparently because my appointment was reckoned as not a full-timed appointment.

5. I beg leave to point out that at the time when applications were invited for filling up the appointments then newly created, the applicants were informed that they will not be allowed to practise, and the appointments were made on that understanding. Five years^x after the date of the appointment in February 1902, when the then Principal

applied for extension of the term of the appointments, he was informed that the appointments were permanent, though not pensionable. The Principal recommended increase of pay or permission to practise to the Assistant Professors, but the Government restated the conditions of appointment in G.O. No.50, Educational, dated 30th January 1907, and impliedly granted permission to practise. Still, my hours of lecture in College have usually been during Court hours, and have therefore not given me much freedom to practise.

6. During the 13 years' period of my service since February 1902, I have, in addition to doing faithful and satisfactory work, never applied for any leave.

7. I therefore request that Government will be pleased to reconsider their order disallowing me any allowance for the period of my leave, and sanction me half-pay for the period. I submit that my appointment may be considered as governed by the principles applicable to 'Officers on fixed allowances' under Art 655 of the Civil Service regulations.

8. I request that Government in any case will, in its discretion, be pleased, in consideration of my long and continued service, to grant me half-pay for the period of my absence on leave.

9. I beg to state, in conclusion, that compliance with my request will not involve any additional expense to Government, as a substitute was appointed only for a short time at the close of my period of my leave.

I have the honour to be,

Sir,

Your most obedient Servant,

T. Rajagopalachariar

SIR,

I have the honour to submit herewith an application to Government from Mr. T. Rajagopala Acharya, Assistant Professor, asking that he should be allowed to draw half-pay for the period of his recent absence from College. Apparently there is no rule — which gives him an undoubted claim to any allowance; but I would ask you to be kind enough to put his case before Government on what seem to me to be its very strong, moral and equitable grounds. —

The

The facts are — (1) he has served
the College faithfully and well for over
13 years without a break.

(2) During the first five years of this
period he was required to give his
whole-time to the College and in fact
has done so throughout.

(3) If the request he makes is granted,
the Government will in fact be no poorer
than if he had taken no leave at all,
for, during the greater part of his leave
no one was acting for him.

I have the honor to be,

Sir,

Your most obedient servant,

ENCLOSURES: Three

Forwarded to Government.

2. Neither article 655 nor the note under article 336 of the Civil Service Regulations is applicable in the case of Mr. T. Rajagopalachariar. As he is not a whole-time officer of Government, he is not entitled to any leave under the Civil Service Regulations. The Director's recommendation that Mr. Rajagopalachariar may be considered as on leave on Medical Certificate is not therefore admissible under the rules.
