Dear Sir,

I have received your letter, No.1459, dated 23rd December last, but, before passing on the request to the Public Record Office, I should be glad to be informed what exactly is the scope of the application. From the catalogue of Stationery Office publications which I am sending you, it will be seen (p.61) that there is no separate 'Rolls Series'; while the intention can hardly be to apply for the whole of the Record Office publications, seeing that these include many works which are not likely to be of much utility at Madras.

Yours sincerely,

William Foster

Registrar and
Superintendent of Records.

The Secretary to Government,
Educational Department,
Madras.
