Ref on Cur No. 1863/1916.

Station Madras Dated the 7th April 1916.

From (Name) The Hon. Mr. J. H. Stone, M.A., C.I.E., F.R.H.S.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

A maximum grant of Rs. 6,000/- was sanctioned in
(G) G. O. No. 1122 Educational, dated 18th December 1912 towards the cost of providing additional accommodation for the Venkatagiri Rajah's High School, Nellore. The work has now been completed and it is reported that the management have incurred an actual expenditure of Rs. 13,220/- against the sanctioned estimate amount of Rs. 12,000/-, vide the enclosed revised estimate received from the Correspondent. The Executive Engineer, Nellore Division, who was addressed

for 3 in fa

as regards the reasonableness of the revised rates, states that only an additional expenditure of Rs. 1,011/- may be admitted, vide copy of his letter No. 2014 M., dated 22nd March 1916 with its enclosures. In these circumstances, I have the honour to recommend that an additional grant of Rs. 505/- may be sanctioned.

2. The approved plans and estimates are also submitted herewith.

I have the honour to be,
S i r,
Your most obedient servant,

R. A. Ariene.
for Director of Public Instruction.

Copy of letter from the Executive Engineer, Nellore Division,
No. 2014 M., dated 22nd March 1916.

Reference your No. 1863 of 1916, dated 9th March 1916 regarding the Venkatagiri Rajah's High School at Nellore, I have the honour to enclose two statements, one giving the rates which were actually paid on two works in Nellore ^{town} ~~town~~ while the additions to the schools were being carried out and the other a comparative statement of the estimate and actuals, as certified by the Correspondent.

2. From the first statement it will be seen that the rates in the revised estimate are higher than those which were actually paid on P.W.D. Works similarly circumstanced in the same town.

3. From the second statement it will be seen that the principal items of excess are under teakwood wrought and put up, doors and windows, scaffolding and unforeseen works; besides which there is a claim of Rs. 589/- for petty supervision and contingencies while Rs. 179/- only are certified to have been paid to the Gumastah. It is possible that the first two items could not have been done cheaper without a knowledge of the timber market; these items may be passed. The other items do not require any other than local knowledge and honest workmen; more careful supervision of the latter would have resulted in the work being done cheaper. I cannot recommend that the excess on those heads be passed.
