From (Name) The Hon. Mr. J. H. Stone, M.A.F.R.H.S., C.I.E.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
Educational Department.

Sir,

(K)

With reference to G.O.No. 674 Mis., dated 21st June 1915 sanctioning the purchase of 30 sets of lantern slides on tropical hygiene from the Educational Supply Association, Lahore, I have the honour to report that the Manager of the Association submitted a bill for the cost of the slides at Rs.25 a set while the cost of each set as stated in the letter from the Government of India read in the G.O. under reference was only Rs.22. The difference in the rate was duly pointed out to the Manager and a copy of his reply is submitted herewith. In view of the explanation

offered therein, I did not apply for the specific sanction of Government for payment at the higher rate and requested the Accountant-General to arrange for the payment of the bill before the 31st March 1916. Arrangements have been made to pay the bill accordingly but the Accountant-General requests that the sanction of Government may be obtained for the payment at the higher rate. I have the honour to request therefore that you will be so good as to obtain the necessary sanction for the payment of the bill accordingly.

2- In this connection, I have the honour to state that the Manager of the Association also brought to my notice that there were available special despatch boxes costing Rs.2-4-0 each to keep the slides in and also copies of Lukis and Blackham's "Tropical Hygiene" costing Rs.3 each, from the illustrations in which the slides in question were prepared and which could be used for reference in the exhibition of the slides. As I considered that these boxes and books would be useful and necessary, I requested him to supply a box and a copy of the book with each set of the slides, the cost whereof has also been included in the bill received. I have the honour to request that the purchase of these additional articles may also be approved.

3- The extra cost of the slides on account of the higher rate and the cost of the other articles referred to have been met from the amount of Rs.6,700 sanctioned in G.O. No. 834 Edl., Mis., dated 2nd August 1915. Most of the war slides ordered in accordance with this G.O. were lost in the "Maloja".

I have the honour to be,

With reference to your letter dated the 19th January 1916 (Ref. on C.No.4940/1915), I have the honour to explain that our price per set of lantern slides on Tropical Hygiene is Rs.25 (Vide our Price list). We had written a letter to Colonel R.J.Blackham, General Secretary St. John Ambulance Association, that in view of his having granted us permission to reproduce the slides from his book we would be glad to offer the set at a reduced price of Rs.22 to the centres of the St. John Ambulance Association, Colonel Blackham was so much pleased with the slides that he moved the Government of India to issue a circular letter to the Director of Public Instruction in various provinces and through an oversight of their office the same price, Viz Rs.22 which we offered as a concession to the Association was quoted in the circular. We had no direct communication with the Government of India, and I beg to enclose a copy of our letter to Colonel Blackham on which the Government of India circular was based. I have ventured to offer this explanation as I wish to assure you of our honest dealings. Authorities in several other provinces have paid us at the rate of Rs.25 per set, after our offering them a similar explanation, but where they have ~~been~~ insisted at paying at the lower rate, we have had no other option but to accept payment at that rate.

I beg to enclose herewith, as directed, the original vouchers for postal charges on registered parcels sent. I hold no voucher for payment on a parcel sent by rail, as the
