The following draft answer is submitted for approval:--

" The Director of Industries is himself --

" directing the oil-pressing experiments.

" No separate expert has been employed for

" these experiments. ~~the Director of Industries~~

" is in charge of the soap experiments, under

" the control of Sir F.A. Nicholson, who is a

" graduate of the Madras University, has --

" studied the chemistry of soap-making in --

" Europe, and has had some practical training

" in soap-making."

TELEPHONIC MESSAGE

The question & answer in their final form were as below:—

Experts employed in oil-pressing and soap-making experiments.

104 Q.—Will the Government be pleased to state who the experts are who are in charge of the oil-pressing and soap-making experiments referred to in the answer to question 116 put by me at the last Council meeting and what their qualifications are for the work?

104 A.—The Director of Industries is himself directing the oil-pressing experiments. No separate expert has been employed for those experiments. The expert who is in charge of the soap experiments under

~~(Mr. Narasimha Rao Sankar)~~

the control of Sir F. A. Nicholson is a graduate of the Madras University, has studied the chemistry of soap-making in Europe, and has had some practical training in soap-making.
