R. C. No. 3219/16

Station M. A. D. R. A. S., Dated the 15th April 1916

From (Name) The Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.

(Designation) Director of Public Instruction,
Madras.

To The Secretary to the Government of Madras,

Educational Department.

Sir,

- ⑤ Although Government have in G. O. No. 253 Educational dated 8th March 1916 sanctioned the continuance of recognition and aid to schools under the control of hostile missions up to 31st March 1917 I have the honour to state that I intend to withdraw the recognition of the E. L. M. Training School for Masters, Tranquebar, (which was formerly under the control of the Leipzig Evangelical Lutheran Mission) from June 1916 on the grounds that there is no great need for the school and that there is no longer the special justification for this school of skilled European control.

The

The school is intended for training students of the elementary grade and if recognition and aid ^{are} continued a fresh batch of students will be admitted for training this year and Government will, to some extent, be committed to continue the school up to the end of March 1918 when alone the students will be able to finish their course.

2. There are now no students under training in the school.

3. I have the honour to request that you will accord your approval and that orders may issue at a very early date.

I have the honour to be,

Sir,

Your most obedient servant,

R. G. Ariev

For Director of Public Instruction.

Current No. 14 8-1 from the D. P. S. R. e. No. 32191^{April} dated ~~the~~ 15th 1906.

SUBJECT.

Withdrawal of the
recognition of the E. T. M. Training
School for masters, Tanqueret.

under rule 63 read with
rule 73 of the Masters Educational
Rules the D. P. S. is himself competent
to withdraw the recognition of any
training institution if he is satisfied
that the educational needs of the
locality no longer require its existence.
In the case of the E. T. M. Training
School for masters, Tanqueret,
the D. P. S. is convinced that there is
no great need for its continuance
and he therefore proposes to
withdraw its recognition. The
sanction of Govt. is, however,
sought because the Govt. have
(S) in G. O. 253 Edl. d/ the 8th March 1916
sanctioned the continuance of up to
the 31st March 1917 of recognition and
aid to this among other institutions
till then under the management

of hostile missions. Besides the two Govt. Training Schools, located at Tanjore, there is at present for the whole district only one other training school, viz. the E. L. M. training school, from which it is now proposed to withdraw recognition & aid. In the year ended on the 31st march 1915 it had six students in the higher elementary grade and seventeen in the lower; and a Provl. grant in aid of Rs 4,205 was paid towards its maintenance, the income from other sources having been only Rs 642. Though there are still a large number of elementary school teachers ~~in~~ in the district unqualified, the institution in question is not apparently of the type useful for the purpose, as it obviously caters to the needs of the mission and it entails ~~therefore~~ a heavy charge on State funds. The Director's proposal may therefore be approved. A draft order is submitted below.
