Report on Public Instruction

Communicating to the Director of Public Instruction and the Director of Industries for guidance letter from the Government of India suggesting the inclusion in the — statistics regarding Industrial Schools, Medical Colleges and Schools, Agricultural Colleges and Forestry and Veterinary Schools.

GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Sir E. D. MACLAGAN, K.C.I.E., C.S.I., Secretary to the Government of India, Department of Education (Education).
To—the Secretary to the Government of Madras, Educational Department.
Dated—Delhi, the 28th March 1916.
No.—288.

The Government of India observe that, in paragraph 8 of the Report on Public Instruction in the Madras Presidency for 1914-15, the decrease in the number and strength of schools for special education is attributed to the fact that statistics regarding Industrial schools, which are now under the control of the Director of Industries, have been omitted from the report.

2. In all other provinces where they exist Industrial schools are included in the Educational returns. The Government of India consider that it is advisable on general grounds as well as for the sake of uniformity to continue this practice even though Industrial schools may not always be directly under the control of the Director of Public Instruction. Such an arrangement would also be in conformity with the existing practice in regard to certain other institutions which are not under the jurisdiction of the Department of Public Instruction, such as Medical Colleges and Schools, Agricultural Colleges and Forestry and Veterinary Schools. I am therefore to request that, with the permission of the Governor in Council, the requisite instructions may be issued in connection with the preparation in future of the annual report on Public Instruction in the Madras Presidency.

The Government of India would be glad to see incorporated in this report a few remarks on the subject of Industrial schools by the Provincial Directors of Industries when these officers are entrusted with the supervision and control of such schools.

Order—453, Educational, dated 26th April 1916.

Communicated to the Director of Public Instruction and the Director of Industries for guidance.
