two sections of the Infant Class with a total strength of 156 pupils as shown in the margin. The Inspectress of Girls' Schools, Northern Circle, reports that while there is every likelihood

of the strength increasing in July next the staff is not only utterly inadequate but also inefficient, that to build up an ~~eff~~ efficient secondary school it is highly necessary that the assistant teachers who are only of the higher elementary grade should be replaced by qualified teachers of the secondary grade and that with the low salaries sanctioned for the staff especially for the last four assistants on Rs.15-1-20 each it will be impossible to look for any efficiency in the instruction imparted in the school. She therefore proposes that a reorganization of the scales of staff and salaries is necessary on the lines of the Government Secondary and Training School for Mistresses, Triplicane, which has 16 teachers including the Headmistress and Kindergarten Mistress for ten classes from the Infant Class to the fifth form (5 in the Kindergarten section and 5 in the High School Department), especially in view of its importance as the only Government Secondary School for Women in the Northern Circle designed to meet the requirements of the Telugu community and of the difficulty of securing and retaining the services of highly educated and efficient women teachers of good social standing. Pending a complete reorganization of the school on the termination of the experimental period of five years for which it has been started, Mrs. Shrinivasa requests immediate sanction for the entertainment of a temporary additional staff consisting of an assistant on Rs.150 per mensem for the higher forms who should, if possible, be a trained Anglo-Indian graduate, an Assistant on Rs.35 per mensem and a Kindergarten Mistress on Rs.75 per

mensem. It is proposed to appoint a secondary grade on the salary of Rs.40-4-60 sanctioned for the post of drawing mistress and to secure a drawing mistress for new post on Rs.35. The employment of a competent Kindergarten Mistress is also considered necessary and it is proposed to meet her salary by abolishing the posts of third Assistant on Rs.40-2-50 and the seventh assistant on Rs.15-1-20 and reducing the pay of the sewing mistress from Rs.40 to Rs.35 since the present sewing mistress has been engaged on a salary than Rs.40/-.

I have considered these proposals carefully and am fully convinced of their necessity. The salary of Rs.15 per mensem proposed for a trained graduate is none too high as it has been found by experience to be difficult to secure and retain a qualified lady graduate for any less salary.

3. The present scale of staff and the additional staff now proposed are given ~~fr~~ in the enclosed proposal statement from which it will be observed that the extra average cost involved is Rs.185/- per mensem and that the additional expenditure during the next year will be Rs.19 per mensem or Rs.1,560 for the 8 months of the next office year.

4. As the Inspectress is anxious to secure for the new post on Rs.150 the services of a trained Anglo-Indian lady graduate who will shortly complete her training in Teachers' College and for whom there is already a great demand elsewhere I request the favour of very early order on this letter.

5. I much regret the necessity for placing before Government at this time proposals for additional educational expenditure. The Inspectress ought undoubtedly to have foreseen the need for this remodelling of the staff of the school in time for provision to be made for it in this year's budget. I am not able to say that the expenditure can be met by

OFFICE NOTE.

SUBJECT. Revision of the staff of the Queen Mary high school for Indian girls, Vizagapatnam.

From the D.P.O. R.O. No. 2108 of the 4th April 1916.

Register No. 1391

The proposals in this case are

- ① to abolish -
- ① the third assistant's place on Rs 40-2-50. - $46\frac{2}{3}$
- ② the seventh assistant's place on Rs 15-1-20 - $18\frac{1}{3}$
- ③ to reduce the ^{Sewing} mistress's pay } - 10
- from Rs 40 to Rs 30 } - 75

and ④ to employ -

- ① an ^{additional} assistant on Rs 150 p.m. + 150
- (trained Anglo-Indian graduate)
- ② a kindergarten mistress on Rs 75 + 75
- ③ an assistant on Rs 35 + 35
- + 200

Net Cost, Rs 260-75 or Rs 185 p.m.

or Rs 22 20 p.a.

2. Under rule 28 of the Madras Educational Rules read with rule 69 there should be a teacher for every class. The strength of the two infant classes ^(taken together) of the Queen Mary high school being only 31 as against the maximum of 40 allowed by rule

for a period of one year from 1-7-16.

incorporated

29. These two classes may be taken as one for calculating the number of teachers required. It is doubtful whether the VI Room which has only one pupil in it may be ignored for the same purpose. Even if it is ignored, there remain ten classes and the proposal of the D.P.S. to increase the number of teachers to ten is therefore admissible. The necessity and urgency of the proposal is explained in para. 2 of the Director's current letter.

3. As regards their pay the scale proposed seems moderate when compared with the scale obtaining in the secondary school for girls in the Triplicane ^(School) which is noted in pencil, for convenience of reference, in the statement on page 7 of C.F., except perhaps in respect of the pay of the assistant at Rs 150. The D.P.S. ^{however} states with reference to this at A on page 3 C.F. that the salary of Rs 150 pm. for a trained graduate is none too high as it has been found by experience to be difficult to secure and retain a qualified lady graduate for any less salary. The Director's proposal may therefore be accepted.

4. There is no provision for the charge in the C.B.E. for 1916-17. and the D.P.S. is not sure whether the expenditure can be met by reappropriation. The amount required for eight months in the current year is Rs 1,560 - vide para. 3 of the D.P.S. letter. The Financial Department may be requested to

Attention is solicited to para 1 of D.P. 9's letter on pages 1-2 of G.O. 1142 Eol. 3 15-10-15, where he has already reported that the existing staff of the Queen Mary High School, Vizagapatam, is inadequate. The present proposals of the D.P. 9. are as stated on page 1 ante and the extra cost involved is Rs about Rs 2,220. In the circumstances stated in para 2 of D.P. 9's letter on pages 1-3 C.F. and the Edl. Dept. notes above, the proposals need not be objected to. The Vizagapatam school will have taken into account the Assistant in Rs 150 sanctioned in G.O. 1142 Eol. 3 15-10-15 in future 2 Assistants in Rs 150 p.w. vide C.F. 7 on p. 7 C.F.

This does not appear excessive, when compared with the Triplicane Girls' school where there are below the Supdt. one head mistress on Rs 100-5-175 and another assistant also on the same pay recently sanctioned in G.O. 55 Ed. 2 15-1-16.

2. The draft order may be accepted. On receipt of a copy of Ed. Dept. proceedings on this case, an additional allotment of Rs 1560 required to meet the expenditure in 1916-17 may be sanctioned from the reserve with Financial.

We may accept the ^{20.4.16} proposal, but I don't think it is necessary to incur on our reserve for the comparatively small amount of Rs 1560. The D. P. I. will be able to find the money by re-appropriation if he is only told to do so. He may, I submit, be asked to suggest some source from which the money may be re-appropriated. I advise it is rather early in the year to suggest re-appropriation but as a rule there are lapses
