From (Name) The Hon. Mr. J. H. Stone, M.A., F.R.H.S., C.I.E.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
Educational Department.

Sir,

The authorities of the Chintadripet Secondary school, Madras, applied to me recently for a half grant of Rs. 1,032/- towards the cost of purchasing a site for the school. They were informed that they might renew the application after the termination of the war. It is now reported that the site is for sale at present and that it may not be available afterward, vide copy of letter No. 110, dated 11th February 1916 of the Correspondent with the endorsement of the Inspector of Schools, 4th Circle thereon. The Inspector explains that the management desire to be allowed to make the purchase now without prejudice to the question of grant. In the case of the

OR

C.S.M. Girls' school, Tannah Street, Purasawalkam, permission was granted to purchase a building on the distinct understanding that the permission carried with it no promise of any

kind of a grant Vide G.O.No. 259 Edl., dated 10th March 1916.

I have the honour to request that you will be good enough to

let me know whether a similar order may issue in this case

also. I may mention in this connection that the present case

is even more urgent than that of Purasawalkam; because a

school of the kind is obviously wanted in Chintadripet where

sites are very difficult to obtain. The ultimate liability

on this account is very small.

I have the honour to be,

Letter from the Correspondent, The Chintadripet Secondary school, No. 110, dated 11th February 1916, to the Inspector of Schools, 4th Circle. -----

With reference to Your No. 4 M., dated 7th January 1916 forwarding copy of Proceedings No. 7803, dated 23rd December 1915 from the Director of Public Instruction, directing that the application for Half-grant for a plot of ground for the use of the Chintadripet School, may be renewed after the termination of the war, I have the honour to state that the school does not possess a school building of its own and in view of the rapid advancement it is likely to make in the near future provision of a school building constructed according to the standard plans becomes an urgent necessity. In this locality there are very few open sites available for sale and it was only after much hesitation that the Trustees of the Pachaiyappa's charities decided to sell to us the plot of ground at a reduced rate of Rs.650 per ground and I therefore request that you will kindly recommend to the Director of Public Instruction to reconsider the application.

The plans and estimate are resubmitted.

Endorsement of the Inspector of Schools, 4th Circle, N.R.
10th of 16, dated
C. No. 17th February 1916.

Submitted to the Director of Public Instruction with reference to Proceedings Dis. No. 7803/15, dated 23rd December 1915 for favour of orders.

2. I inspected the site referred to on the 2nd instant. By itself it is too small for a proper secondary school. But there is land available on the sides and at the back, which, if also acquired will give sufficient space for a suitable building. What the Secretary now wants though he has not expressed it, is that he may be allowed to purchase * the site as it is for sale at present and may not be so hereafter; and that the Department may be pleased to give the half-grant

when the war is over and funds are available. Or at least that the purchase of the land before the grant is actually sanctioned will not stand in the way of their subsequently obtaining the grant when money is available. So I recommend that permission be given to purchase the land now and the Secretary be informed that this pre-purchase previous to sanctioning a grant will not stand in the way of his subsequently applying for grant.
