My father, the Rev. Dr. Lazarus, is a retired Missionary of thirty-five years' service and is connected with many public institutions in this city. He visited Europe in 1903 and is an Honorary Fellow of the Madras University. He has done both literary and active work in the cause of education, besides rendering service to the Indian Christian community. My mother has, for a generation, performed honorary work in educating Hindu girls and the poor. On Darbar day, my parents were the only couple in the Indian Empire, who were presented with Certificates of Honour by the Viceroy. An elder sister of mine is the acting Assistant Inspectress of Girls' schools in Madras. My sisters and I have won four gold medals awarded by the Madras University for Honours in English, and an uncle of mine, Mr. Daniel Lazarus of Waltair, has been a well-known educationist for the last forty years. My mother's grandfather was a judge in the Cochin State.

As my father is a pensioner and has several other children to support and educate with no other means to fall back upon, the scholarship, I am seeking to obtain, would be of great help to me in acquiring special training in England and thus enhance the possibilities of my usefulness to my country and my Indian sisters.

P. RAJAGOPALA ACHARIYAR AVARGAL, C.I.E.,

Secretary to the Government of Madras,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

DEPARTMENT OF EDUCATION.

Dated Ootacamund, the 28th April 1916.

SIR,

With reference to paragraph 3 of Mr. Sharp's letter 1786, dated the 16th November 1915, regarding the submission of nominations for the State scholarship instituted for Indian women graduates, I am directed to state that the Governor in Council is unable to recommend any suitable candidate for medical training this year. In the event of the scholarship becoming available for other educational courses, I am to submit the name of Miss Z. S. Lazarus for the favourable consideration of the Government of India in connection with its award.

2. Miss Lazarus is an Indian Christian, her father, the Rev. Dr. Lazarus, being a retired missionary in receipt of a pension from the Danish Mission. She is about 26 years of age; she graduated in arts in 1912 with Botany as her optional subject and Latin as her second language and took the degree of Licentiate in Teaching in 1915; she passed with Honours the Junior Examination in Music of the Trinity College, London, held in 1904, having secured the first prize and a cheque; she is now employed as an assistant in the Presidency training school for mistresses, Egmore. Miss Lazarus desires to enter the Oxford (Cherwell Hall) or London University for training of secondary character for the teaching profession with special reference to kindergarten methods and one or more branches of domestic science. She holds good testimonials from her professors of earnestness and capacity; and her parents appear to have friends in the United Kingdom and Denmark with whom she could spend her vacation. Her application is supported by the Superintendent of the Presidency training school for mistresses and the Director of Public Instruction.

3. I am to enclose a certificate of her physical fitness and copies of testimonials as to her character.

I have the honour to be,

Sir,

Your most obedient servant,

P. RAJAGOPALA ACHARIYAR,

Secretary to Government.

ANNEXURE.

Certificate of physical fitness.

I do hereby certify that I have examined Miss Z. S. Lazarus, a candidate for employment in the educational (study) department, and cannot discover that she has any disease, constitutional affection or bodily infirmity. Her age is according to her own statement twenty-six years and by appearance about twenty-six years. I further certify that she has marks of vaccination.

Personal marks—

- (2) a mole on the left cheek.

15th March 1916.

F. F. ELWES, M.D., C.I.E., Major, I.M.S.,
Surgeon, 2nd District, Madras.

List of testimonials of character and capacity.

Miss Z. S. Lazarus is at present a member of the staff of this institution, in charge of the English and Botany sections of the Upper School. She is, in my opinion, a young lady who would make the very best use of the special course of education in England for which she is applying.

She is a very capable teacher with an attractive personality. She has, too, an exceptional amount of perseverance, which will make the overcoming of the difficulties of study in a foreign country a much easier matter for her than for the average student.

I hope she will be the winner of the scholarship she desires.

13th March 1916.

R. McLEOD,
Acting Supt., Presidency Training School, Egmore.

Miss Z. S. Lazarus was a student of mine during part of the time she was studying for the M.A. examination in the Intercollegiate classes. I was impressed by her zeal and energy. She has a very considerable knowledge of English both in its philological and its literary aspects. She belongs to a family characterised by enterprise, several members of it having done excellent work. I have pleasure in giving her this recommendation.

2nd March 1916.

G. PITTENDRIGH,
Christian College, Madras.

During the two years, Miss Z. S. Lazarus attended my classes in English, I was impressed with her diligence and capacity for work. I consider her thoroughly well equipped for educational work, both in natural ability and acquirements.

6th February 1914.

G. PITTENDRIGH,
Professor of English, Christian College, Madras.

Miss Z. S. Lazarus was a student in my classes for the B.A. degree under the Old Regulations of this University during the years 1910--1912, and was always a keen and zealous student. She would, I believe, make the most of any opportunities that might be afforded her of obtaining further accomplishments.

3rd March 1916.

P. F. FYSON, B.A., F.L.S.,
Professor of Botany, Presidency College, Madras.

English.—A bright and capable teacher with good powers of discipline. Her pronunciation is very good and she possesses marked ability with regard to pictorial illustrations.

Natural Science.—A bright and active teacher who has good powers of exposition and class management. Very good at Nature Drawing.

Drawing.—First class as examined by the Manual Training Instructor (Teachers' College, Saidapet).

R. L. ROSS,
Acting Principal, Teachers' College.

I have much pleasure in supporting the candidature of Miss Z. S. Lazarus, B.A. She was my pupil during her B.A. course in this college and is now studying under me for the M.A. degree examination in English. I have been very favourably impressed with her industry, earnestness and intelligence. She took a good place in the B.A. examination and I have reason to believe that she will be equally successful in the higher examination for which she is about to appear. Her knowledge, attainments, character and disposition render her, in my opinion, well fitted for the sphere of work into which she desires to enter.

MARK HUNTER,
Acting Principal and Professor of
English, Presidency College, Madras.

10th February 1914.

I have much pleasure in certifying that Miss Lazarus deserves a State scholarship available for women graduates. I have known her for some time. She has resolved to devote her lifetime to the cause of education. In my opinion she is fully qualified for the scholarship.

6th March 1916.

T. V. SESHAGIRI AYYAR.

Miss Z. S. Lazarus was a student of the L.T. class of this College during the year 1914-15. She displayed marked ability in her work, and if she is granted the State scholarship for Indian women graduates, I am of opinion that she will make very good use of the opportunities afforded to her by a course of training and study in England.

Principal, Teachers' College, Saidapet.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O. 460-61, EDUCATIONAL,
DATED THE 28TH APRIL 1916.

[SUBJECT.—*Scholarship to Indian women graduates tenable in the United Kingdom.*]

From the Director of Public Instruction, dated the 27th March 1916, R.C. 94/16.

From the Surgeon-General, dated the 24th March 1916, 100/351.

Please see the Government of India letter and the notification printed with G.O. 1358, Educational, dated the 9th December 1915, for particulars regarding the recently instituted State scholarship for Indian women graduates. The first scholarship is to be awarded in the current year. Each Local Government is invited to nominate annually a candidate who possesses an Indian degree in medicine or in the case of a candidate for educational training, who has passed the B.A. examination of an Indian University.

2. The Surgeon-General has none to recommend for medical training. This Government can therefore nominate a candidate only for educational training. In this connection the Director of Public Instruction mentions the names of two candidates, viz., Miss A. G. Mariammal, an assistant in the Government Secondary and Training school, Triplicane, and Miss Z. S. Lazarus, an assistant in the Presidency Training School for Mistresses, Egmore. Both are graduates in arts of the Madras University and are equally eligible for the scholarship if offered for educational training. The Director, however, recommends Miss Lazarus as being senior in the University and in service. She desires to study at Oxford or London, the subject of study proposed being training of secondary character for the teaching profession with special reference to training in kindergarten methods and training in one or more branches of domestic science.

It is for orders whether the Director's nominee, Miss Lazarus, may be recommended to the Government of India.
