Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 13th March 1916.

No.—Ref. on Cur. 1368.

In G.O. No. 17, Educational, dated 10th January 1911, sanction was accorded to the continuance of the Government school, Bhadrachalam, as a secondary school for a period of two years as an experimental measure subject to the condition that fees were levied in the school at standard rates. On the expiry of this period, the Government Agent, Gōdāvari, recommended the permanent retention of the school as a secondary institution and also the abolition of fees in the lower classes as the levy of standard rates of fees in those classes was felt as a hardship by the people of the locality. As the strength of the higher classes did not fully justify the permanent retention of the school as a secondary institution and some time was necessary to gauge the effect of the proposed abolition of fees in the lower classes, Sir Alfred Bourne recommended the continuance of the school for a further term of three years and Government approved in their order No. 1149, Educational, dated 4th December 1913, both this recommendation and the proposal to abolish the fees in the lower classes. The sanction accorded in the above Government order expires on the 1st July next and the Government Agent, Gōdāvari, again recommends the

during the past four years it will be observed that the numbers have almost steadily increased and that the attendance of the lower classes has also improved mainly as a result of the abolition of fees. The Inspector of Schools, First Circle, is also in favour of the proposal and I am also convinced that the school has justified its existence as a secondary institution. In these circumstances, I have no hesitation in supporting the recommendation of the Government Agent and have the honour accordingly to request that Government will be pleased to sanction the permanent retention of the school as a secondary institution with effect from 1st July 1916.

NOTES CONNECTED WITH G.O. No. 469, EDUCATIONAL,
DATED 1st MAY 1916.

[SUBJECT.—*Permanent retention of the Government secondary school at Bhadrachalam.*]

*From the Director of Public Instruction, dated 13th March 1916,
R.O.C. No. 1368.*

The Government school at Bhadrachalam has been working as a secondary institution for the last five years as an experimental measure. The Director of Public Instruction now recommends its permanent retention. In the circumstances explained in his letter the proposal may, it is submitted, be approved. A draft order is placed below. It may be sent to the Financial Department for acceptance.

FINANCIAL DEPARTMENT.

The proposal in this case is to retain permanently the Government secondary school at Bhadrachalam, which has been working on a temporary basis for the last five years. The proposal should have been forwarded through the Accountant-General who has to verify the present scale of establishment or state the present cost according to his audit register—vide paragraph 2 of resolution of the Government of India, No. 4850-Ex., dated 12th August 1911, on page 3 of G.O. No. 437, Financial, dated 31st August 1911. Submitted that Educational may be first requested to get from the Accountant-General a report with reference to the Government of India's orders, and then forward the proposal for the acceptance of Financial.

With reference to the Financial note above a draft endorsement is submitted for approval.

[Endorsement No. 968-2, dated 30th March 1916.]

From the Accountant-General, dated 10th April 1916, No. Godi-3-624.

The Accountant-General has furnished the report desired by the Financial department. The file may now be sent to that department for remarks.

S.K.—15-4-16.

C.R.—15-4-16.

P. RAJAGOPALA ACHARIYAR—17-4-16.

To the Financial Department.

FINANCIAL DEPARTMENT.

In the circumstances stated by the Director of Public Instruction in his letter Financial may, it is submitted, agree to the permanent retention of the Government secondary school, Bhadrachalam.

2. As to the extra expenditure involved, in the proposals, it is observed from the Accountant-General's letter, whose statement of present cost Educational have now obtained as desired by this department, that the present monthly average cost is put down as Rs. 347½. G.O. No. 17, Educational, dated 10th January 1911, and G.O. No. 1149, Educational, dated 4th December 1913, which are referred to by Educational on page 1 ante sanctioned, however, establishments for the school costing Rs. 354½ as follows:—

- | | |
|--|-------------|
| (i) Staff sanctioned in G.O. No. 17, Educational, dated 10th January 1911 (cf. column 15 on page 3 of G.O. No. 198, Educational, dated 5th April 1911 and paragraph 2 of Accountant-General's endorsement) | Rs. 328½ |
| (ii) Additional Telugu Pandit on Rs. 20-2-30 (biennial) (sanctioned in G.O. No. 1149, Educational, dated 4th December 1913) | 26 |
| | 354½ |
| | per mensem. |

It is not clear what is the exact permanent liability to which Financial is committing itself and Educational may be requested, before sanctioning the proposal, to furnish the exact figure, a reference being made to the Director of Public Instruction, if necessary.

T.A.—20-4-16.

A.S.—20-4-16.

It is not worthwhile making the suggested reference. The difference is small and in our favour and will not in any case affect the question of the permanent retention of the school.

Yes.

Financial may accept the proposal to make the school permanent.
