DATED 1 - 5 - 16

[Despatch Abstract.]

Permission to appear for the Criminal Judicial
test higher grade.

Granting R.N. Ramangula Naion
Clerk in the Chief Presidency Magistrate's
Court of Ennore — in 1916 and
1917

To

The Secretary

to the Government of Madras,

Judicial Department,

Fort St. George, Madras.

The Chief Presidency Magistrate,

Madras.

Most Honoured Sir,

The humble application of

R.N. Ramanjulu Naidu, Clerk, Chief

Presidency Magistrate's Court, Egmore

most respectfully sheweth:--

1. That it is now six years since he entered the above department during which period he has been discharging his humble duties to the entire satisfaction of all his superiors.

2. That his present pay is Rs. 35/- and that he has no prospects of increase unless he passes Criminal Judicial - Test Higher Grade and Precise Writing test for which he cannot now appear as he is only a Matriculate.

3. That he comes of a respectable family with many of his relatives in the Public Service holding high positions, to mention a few among others, his uncle and grand father are Tahsildars, his another uncle is a District Surgeon at - - Alleppey, Travancore State, and his deceased father R. Narayana swamy Naidu was a Tahsildar also (retired) at his death.

4. That his late father had rendered meritorious service and won golden opinion from his superiors and at the time of his death left nothing else of a tangible nature but a legacy of character for probity, honesty, and integrity of which - the enclosed extracts will be eloquent.

5. That his father's retirement from service was brought about by the unhappy circumstance of his having lost his eyesight through strenuous work in the great famine of 1877 at Hosur, Salem District, and were it not for this disaster he

would have been at a command of larger resources at the time of his retirement as there was a likelihood of his being appointed as Deputy Collector. 3

6. That with his slender means the applicant was incapacitated to prosecute his studies even upto the degree examination, dependents on him being larger in number.

7. That he was therefore compelled to eke out his livelihood by taking up an appointment in the Public service.

8. That the helpless state to which the survivors have now been driven to may go to show the extent to which the applicant's father was sacrificing his personal interest in the interest of the cause of justice and public good.

9. That with these facts for his introduction the applicant begs to bring to your honour's benign consideration that since the lamented death of his father the duty of supporting his large family and meeting its indispensable demands as well as the educational requirements of his brothers has devolved upon the applicant for which his poor income of Rs. 35/- is too inadequate in these hard days and that he most fervently prays that your honour may be graciously pleased in your large heartedness to exempt him from the General Educational qualifications so as to enable him to appear for the Criminal Judicial Test Higher Grade and Precise Writing Test with permission to avail himself of three chances in each of these examinations.

For which act of kindness he and his poor suffering family will ever feel grateful.

Madras
6th April 1916.

The applicant begs to remain,
Most Honoured Sir,
Your honor's most humble and
obedient servant,

R. Ramani
