Department.

Sir,

The Government Agent, Godavari, reports that he has ordered in anticipation of the sanction of Government the abolition of the Government Elementary boys' school at Pedarkur, the transfer of which from Yedujerallapalli was approved in G.O.No. 658 Edl., dated 22nd December 1909, for the reason that the average attendance of the school has considerably fallen-the number on the rolls being only 2 -- and that every effort to revive the school has proved a failure owing to the apathy of the villagers and he requests that his action may be approved. The Inspector of Schools, 1st Circle, has no objection to the closing of the school.

In this connection I beg to mention that the Government Agent in his letter R.C.No. 340/Ag, dated 22nd July 1915 proposed the opening of a Government Elementary School for boys at Pocharam, a village in the Bhadrachalam Taluk and the employment therein of a teacher on Rs.15 per mensem for the reasons that the villagers were not satisfied with the indigenous school which was working in the locality with 19 boys and requested the divisional officer to open a Government school in the village, that the village patel had promised to provide a thatched building for the school and to secure the attendance of about 25 children and that the divisional officer who expected that 40 children would attend had supported the request. The Inspector of Schools, 1st Circle, whom I consulted also recommended the proposal as there was a need for a Government school in the locality, but on account of the present financial stringency I did not recommend the proposal to Government and informed the Government Agent accordingly.

As the Government Elementary boys' school at Pedarkur which has a teacher on Rs.15 per mensem has now been closed and as the provision made for that school is available, I have the honour to request that you will be so good as to obtain the sanction of Government for the closing of the Government Elementary school for boys at Pedarkur and the opening of a similar school at Pocharam and for the transfer to the latter school of the provision made for the former.

I have the honour to be,

S i r,

Your most obedient servant,

G. W. S. S. S.
