From (Name) The Hon. Mr. J. H. Stone, M.A., F.R.S., C.I.E.,
(Designation) Director of Public Instruction,
Madras.
To The Secretary to the Government of Madras,
Educational Department.

Sir,

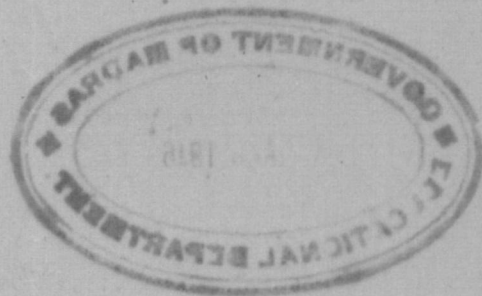

P. Vaite

With reference to Government endorsement No. 552-1
Educational dated 22nd February 1916, I have the honour to
submit the following remarks on the requests contained in
the memorial of the Muhammadan Literary Society, Nellore.

Please compare Notes
on p. 11 of G. G.
345241:
29.3.16

(1) Establishment of Government Incomplete Secondary
School for Muhammadans at Nellore. The proposal to open
Government Muhammadan Incomplete Secondary Schools at Vellore
and Trichinopoly has already been approved by Government, and
I do not think it necessary to do more for Nellore than to
subsidize the Municipality, if necessary, to raise the grade
of the local municipal Elementary school.

① 10.4.16

Separately under
consideration along
with the general
question of providing
conveyance to
girls.

(2) Removal of the Government Muhammadan Girls' School, Nellore to some suitable locality.

The Inspectress reports that the most populous Muhammadan quarter in the town of Nellore is Nellore West and that there are also Muhammadans in Mulapet and Ranganaickspet. As the removal of the school to Nellore west is likely to improve its strength and attendance Miss. Lynch has been instructed to take steps to effect such removal provided that suitable accommodation is available in that locality. The consideration of the question of providing the school with a permanent building may be deferred until after the removal of the school to a rented building in a central locality, while the question of opening another Government Muhammadan Girls' School in the place may be considered when the necessity for it is established.

(3) Facilities for the attendance of purda nashin classes by the provision of carts and conductresses.

A reply has been submitted to Government on this point in my letter R. C. No. 8218 of 15 dated 24th March 1916.

(4) Increasing the number and value of Government Muhammadan Scholarships.

The special scholarships for Muhammadans sanctioned in G. O. No. 729 dated 3rd July 1915 have been distributed as shown in the annexed copy of the Gazette Notification. In making this distribution, the requirements of each circle were carefully considered, and as the total population of the several classes of Muhammadans specified in the Notification, in the I, II, and IV Circles was very small when compared with that in the other circles, no scholarships of the secondary grade out of these special scholarships were allotted to these circles.

I have the honour to be,

Sir,

Your most obedient servant,

G. W. S. S. S. S.

1.4.16.

SPECIAL SCHOLARSHIPS FOR MUHAMMADANS—1915-16.

With a view to improve Muhammadan education in this Presidency, eight special scholarships commencing from the first form and continuing throughout the whole of the secondary course will be awarded every year in secondary schools. They will be tenable by pupils belonging to the following classes of the Muhammadan community of this Presidency—Mappillas, Labbais, Dudekulas and Jonogans. They will be of the same value as the scholarships that are now awarded under the Government Scholarship Notification, 1915-16, to pupils in secondary schools (viz., Rs. 3 per mensem in forms I to III and Rs. 6 per mensem in forms IV to VI) and will be held under similar conditions. Of these eight scholarships, three will be placed at the disposal of the Inspector of Schools, VIII Circle, and one at the disposal of each of the Inspectors of the III, V, VI, VII and IX Circles for award at their discretion, subject to the conditions laid down in the Government Scholarship Notification of 1915-16, dated 28th June 1915, and published in the *Fort St. George Gazette*, dated 6th July 1915. During the current year scholarships may be awarded—one in each of the forms I to VI in the III, V, VI, VII and IX Circles and three in each of the forms I to VI in the VIII Circle, *provided suitable candidates apply for them*, and if awarded they may be renewed from year to year until a recipient has finished his school course. In subsequent years they will be awarded only in the first form.

2. In addition to the above, four special collegiate scholarships tenable by all classes of Muhammadans commencing from the Junior Intermediate class and continuing throughout the whole of the Intermediate and B.A. courses will be awarded every year in colleges. The value of each of these scholarships will be Rs. 9 per mensem in the intermediate classes and Rs. 14 per mensem in the B.A. classes.

An additional scholarship tenable in the Honours class (*i.e.*, the fifth-year class of the University course) will also be awarded at Rs. 14 per mensem. The award of these scholarships will be governed by the rules regulating the award of Government collegiate scholarships already published in the *Fort St. George Gazette*, dated 6th July 1915. They will be awarded during 1915-16.

Applications for any of the above scholarships should be made in the form already prescribed therefor and submitted to the Director of Public Instruction in the case of scholarships tenable in college classes and to the Inspector in the case of scholarships tenable in secondary schools.

Office of the Director of Public Instruction,
Madras, 30th July 1915.

H. S. DUNCAN,
Ag. Director of Public Instruction.

GOVERNMENT HOUSE,
MADRAS.

11th February 1916

Dear Mr. Rajagopalachari

Muhammadan Literary Society, Nellore,
wished to present an address to His Excellency during
his visit to Nellore in December last, but the request
was not granted as the number of addresses had to be
limited. The Society has now asked that its address
might be treated as a memorial and that the represent-
ations made therein might be considered by the Govern-
ment.

I am therefore to send you the enclosed
extracts for examination.

Yours sincerely,

Lehman

The Hon'ble Diwan Bahadur

P. Rajagopalachariar Avl., C.I.E.,

Secretary to Government, Educational Dept,
Fort St. George, Madras.

Extracts from the memorial of the Muhammadan
Literary Society, Nellore.

3. We thank Your Excellency for your deep interest in questions affecting Muhammadan education and request that out of the special grant of Rs.30,000 so generously given by the Government of India for its furtherance in this Presidency, our poor district may be allowed the benefit of a fair share. We have already moved the Educational Department for the establishment of an Incomplete Secondary School for the Muhammadans ~~for~~ of this town and are full of hope that it will soon come into being. May we submit in this connection that it will serve the interests of efficiency and usefulness if the school is run under Government management rather than placed into the hands of the local Municipal Council.

4. Your Excellency is doubtless aware of the special difficulties of Muhammadan students in schools and colleges which have necessitated the award of Government scholarships at each stage of their progress. But the number of these scholarships is so limited and their value is so small that they do not adequately meet the situation. We respectfully pray that Your Excellency may be pleased to bestow your gracious consideration on this subject. To secure as far as possible the even progress of Muhammadans in all parts of this Presidency we beg to suggest that, in awarding scholarships, the claims of the different districts in view of their population and educational backwardness may also be taken into account.

5. We crave Your Excellency's attention to some of our pressing requirements as regards female education. In a big town like this containing 6,500 Muhammadans, there is only one zenana school and that is located on the Bazaar Road in a quarter void of Muhammadan population. We submit that not only is this single institution quite insufficient to meet our needs but that it cannot satisfactorily fulfil its purpose unless it is moved to some suitable Muhammadan centre in the town and a permanent building be provided for it in the same way as has been done for our Hindu Girls' Schools. We also request that facilities be afforded for the attendance of respectable girls of the pardah classes by the provision of carts and conductresses on the same lines as in the Hobarts' Girls' School, Madras.
