From (Name) M.R.R. T. M. Lakshmana Ayvar, Avergal,
(Designation) Chairman Delegate, Municipal Council,

To The Secretary to the Government of Madras,
LOCAL AND MUNICIPAL Department.

Sir, Thro,
The Director of Public Instruction,
M a d r a s.

And
The Collector of North Arcot,
V e l l o r e.

I have the honour to bring to the notice of Government the present state of the Municipal High School, building of this town. There are 10 classes in all with rooms barely enough for these classes. There are no rooms for extra classes. The Pandits and the Commercial Instructor have no rooms of their own. The Library has no separate

room. The Head-Master with his records and the clerk of the School have no private rooms. The other teachers have no retiring room during their leisure hours. The Science Laboratory room is too small to accommodate 9 almirahs, 4 practical work benches and 35 boys when the biggest class goes there for instruction. There is no separate room to keep the Gymnastic apparatus. The School suffers very badly for want of sufficient rooms and should therefore be extended by at least four rooms on the southern side, for the present. The Inspector of Schools has very often drawn the attention of the Council to the insufficiency of the present accommodation.

An estimate was prepared for Rs.2200/- for the proposed extension and sanctioned by the Council in Resolution No.105 (7) at its meeting held on the 29th September 1915.

The Financial position of the Council does not permit its undertaking the work from Municipal Funds. The additional four rooms as shown in the sketch herewith sent is very necessary for the proper accommodation of the School in every way. I therefore request that the Government will be pleased to make a grant of the Estimated amount to carry out the proposed work at an early date.

Although the Council having regard to the urgent need for increased accommodation resolved that the work may be started in anticipation of Government sanction, still I am of opinion that it is not desirable to do so and I have therefore deferred the work until the receipt of sanction from Government.

A copy of the Council's Resolution with a plan and Estimate is herewith sent.

I have the honour to be,
Sir,
Your most obedient servant,

M. Lakshmana Ayyar
CHAIRMAN DELEGATE.

Submitted to Government and recommended for sanction.

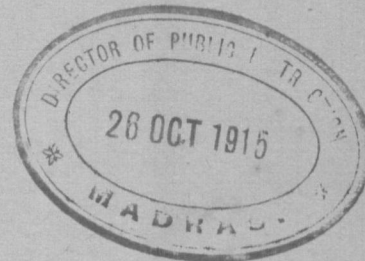

2. The cost of this proposal may be met out of the savings in the allotment under subsidies which was proposed in my letter to Government (Educational) R. C. No.3918/1915 dated 23rd October 1915 to be kept in reserve for meeting the net costs of Board and Municipal Schools for the second half of 1915-16.

OFFICE NOTE.

SUBJECT. application of the Municipal Council of
Timpather for a grant of Rs. 2.200 for the
extension of the Municipal High School

From The C. M. C., Timpather, no 729 of 10.1

Register No. 4125 Sol

~~Subj~~ In the circumstances explained by the
Chairman, the proposed addition to the school building
seems necessary. In view of the unpeculiar
condition of the Municipal Council, it is submitted
that the Govt. may, with the concurrence
of financial, agree to sanction the ^{required} amount of
Rs. 2,200 from Provincial funds.

2. As regards the source from which the
D.P.D. proposes to meet this demand, it is
observed that ~~only~~ a sum of Rs. 16,432 has
been suggested by him for reservation for the
payment of the net cost of local board and
municipal schools ~~again~~ during the second half
of 1915-16 against Rs. 15,523 actually disbursed
for the ~~1st~~ half. Compared with the actuals of the
first half ^{of the} year the ~~propo~~ provision proposed for the
second half does not appear to be much in excess
of ~~actual~~ requirements. It is doubtful therefore,

whether there would be enough savings in the latter
provision to meet the application of the Kinnappathur
municipal Council for a grant of Rs 2.200.
For orders whether the Director may be requested to
report further on this point.

Since the sale of my letter in question
Rs 1000 more than in 1914-15 has been
sanctioned for the Govt School and some of
the other schools may show an increase.
It is not now think that the Rs 2200 in
question can be met from this source

I now suggest instead the sum of Rs 6022
sanctioned for the Jyppore training school
the whole of which will not be wanted
at present as final orders have not
yet been passed on the question of
the net cost of it being met from
provincial funds. If such orders are
subsequently passed the expenditure
may be met from by transfer from
