(ii) that in the proposed Transitory Regulation 230-A for the words ‘forty-rupees’ the words ‘sixty-rupees’ be substituted.

Aiyangar, Mr. K. B. Ramanathan and Mr. Ferrand E. Corley took part, the amendments were put to the meeting and lost.

The original proposition was then put to the meeting and carried.

(c) Mr. A. Subrahmanya Aiyar, with the consent of the Senate, withdrew the following proposition of which he had given notice:—

That each of the three Examinations in Law under the scheme recently recommended by the Senate and sanctioned by Government be held twice a year in Madras and such other centres as the Syndicate may appoint once in April and once again in October.

In view of the previous decision of the Senate the following proposition, of which Mr. A. Subrahmanya Aiyar had given notice, was not moved:—

That the First Examination in Law and the B.L. Degree Examination under the existing Regulations be held twice a year in April and in October, commencing from October of the current year, and that they be continued for two years the last of such examinations being held in April, 1917.

Mr. A. Subrahmanya Aiyar, with the consent of the Senate, withdrew the following proposition of which he had given notice:—

That in both these examinations held during the interim, a candidate failing in one subject but obtaining 50 per cent of the aggregate marks be declared to have passed.

Or if this is not passed, the following:—

If a candidate fails in one subject but obtains 45 per cent of the marks in each of at least three other subjects, then the answer-paper of the candidate in the subject in which

he has failed shall be revised by the Chairman in consultation with the Examiner concerned.

and

Mr. S. Krishnaswami Aiyangar seconded:

That to Regulations 182 and 193 the following words be added at the end—

‘But if he has—for two years or more before the date of application for admission to the examination—been engaged as a *bona fide* teacher in any secondary school or college, he may be allowed to appear for the examination, without such a certificate of attendance for an additional year.’

After a discussion in which Mr. L. C. Hodgson, the Rev. E. M. Macphail, the Hon'ble Mr. J. H. Stone, Mr. G. A. Natesan, Mr. F. S. Davies, Sir V. C. Desikachariar, Rao Bahadur A. C. XV. and XVI. At this stage, at the request of the Vice-Chancellor and with the consent of the Senate Mr. Mark Hunter made a statement as to the action being taken by the Syndicate on the question of the future admission of Secondary School-leaving Certificates holders to affiliated colleges. Thereupon with the consent of the Senate the following propositions, of which notice had been given by the Hon'ble Mr. Justice T. V.

Seshagiri Aiyar and Mr. S. Srinivasa Aiyangar respectively, were withdrawn.

I. That it be a recommendation to the Syndicate to frame, under Regulation 166, rules providing that any holder of the Secondary School-leaving Certificate shall be deemed qualified for admission to the First Intermediate class of an affiliated, college (1) if he obtains at the public examination a prescribed percentage of marks in specified subjects, or, (2) failing to satisfy this condition, if he does particularly well in English and in one other subject of Group A, as also in any one subject of Group C necessary for admission to a University course of studies and at the same time is able to present a satisfactory school record.

II. (a) That the Senate is of opinion that Regulations 166 to 178 are unsatisfactory in their working, and in lieu of the existing system the institution of a single entrance examination controlled by the University is desirable, and that it be a recommendation to the Syndicate to draft the necessary Regulations in that behalf.

or

(b) That it be a recommendation to the Syndicate to revise its existing rules and directions under Regulation 166, so as to provide for a satisfactory system of admission of students to the University course of studies by the Heads of affiliated colleges.

XVII. Mr. K. V. Rangaswami Aiyangar proposed and

Sir V. C. Desikachariyar seconded :—

That in Regulation 101 the words 'or more' be substituted for the words 'or other', and that the following words be added at the end of the Regulation as an additional

18
sentence (in order to make it possible for a Fellow who possesses the requisite qualifications to be a member of more than one Faculty):—'Any member of a Faculty who is a Fellow may, at any meeting of the Senate, be assigned, by order of the Senate, to any other Faculty or Faculties in addition to the Faculty of which he is already a member.'

After Mr. H. J. Allen, Mr. C. P. Ramaswami Aiyar and Mr. R. Littlehailes had spoken and Mr. K. V. Rangaswami Aiyangar having replied, the preposition was put to the meeting and lost twenty-one members voting for the proposition and twenty-four against it.
