To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

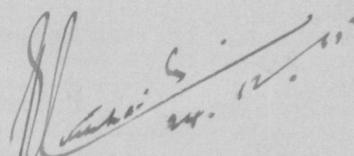

A grant of Rs.1,239/- was sanctioned in G.O. No.47 Educational dated 15th January 1915 towards the cost of providing a playground for the Raja's High School, Kollengode. The plots selected for the purpose are marked A, B and C in the enclosed plan and measure one acre 81 cents. The correspondent reports that the owner was, in the beginning, willing to sell them, but that, on account of some misunderstanding among the members of his family, it is not possible now to get the signatures of all in the sale deed, vide his

letter dated 13th July 1915 (extract enclosed). In these circumstances, I have the honour to recommend that the lands in question may be acquired under the Land Acquisition Act. It is also reported that there is no other suitable site near the school available for private purchase.

I have the honour to be,

Sir,

Your most obedient Servant,

2. "The owner of the plots to be purchased agreed to sell
them in the beginning. But, now, owing to some disagreement among
certain members of his family, it is found difficult to get the
signature of all in the sale deed. I have been for the last few
months trying to persuade them to part with it for its market
value. As I fear the title will not be sound unless all the
members agree for the sale, I have the honour to request you to
be good enough to take the necessary action under the Land Acqui-
sition Act to acquire the lands referred to herein."

SUBJECT. Acquisition of a site for a playground
for the Rajas High School, Kottengode.

The general principles governing the cases in which the Government undertake to acquire land under the Land Acquisition Act, 1894, on behalf of schools under private management are laid down in G.O. 5995 of the 27th June 1913. In the present case since a substantial contribution from Provincial funds has already been sanctioned to cover the cost of acquisition there is no objection to the application of the Act—please compare the proviso to Section 6 (1) of the Act. But the question is whether there is sufficient reason for the Govt. applying the compulsory provisions of the Act. As regards this, ^(unimpaired) ~~no reason other than~~ the Correspondent ^{states} ~~states~~ that owing to some disagreement among the members of the owner's family, it is found difficult to get the signature of all in the sale deed and that without such signature the title deed will not be sound. It is also reported that there is no other suitable site near the school available for private purchase. ~~The nature of the objections and how far they are valid have not been enquired into. Submitted that~~ It may therefore be presumed that there is sufficient justification for putting in operation the Land Acquisition Act. ~~Malabar for reasons in the first instance.~~ If this view is agreed to, the draft order below is submitted for

for approval. If approved, it may be forwarded to the Revenue Dept. u.o. for acceptance.
