SUBJECT.

Regarding the sale of dyes
ex s.s. "Barenfels".

Please see the Govt of India's telegram in the current file. As regards the first & second enquiries in the telegram, it is submitted that Messrs Gordon Woodroffe & Co., have received instructions from the Alexandria Prize Court. Please see page 141 of

- (B) G.O. No. 434 Est., dated the 19th April 1916. As regards the third point in India's telegram, Messrs Gordon Woodroffe & Co. have stated ^(that) the greater part of the dyes available are such as have no present prices at home. Finally, the Govt of India suggest that if instructions ~~permit~~ permit, distribution of the dyes for which there are present prices should not be delayed. It is submitted that Messrs Gordon Woodroffe & Co. will not have any objection to such distribution. They have agreed

agreed to deliver the whole consign-
ment to the Govt pending settle-
ment of the prices. The difficulty
in regard to immediate distribution
is that the prices of the dyes are
not now known. The Company
have proposed to ascertain
home prices by post. As this
will take time it is not possible
to sell the dye now. Further, the Dyeing
Expert has stated that he will
be able to submit proposals for
distribution only after the prices
are known. In these circumstances
it is for orders whether the Govt
of India may be informed of the
position. A draft telegram is subd below.

Dear Mr Dow

In continuation of my telegram No. 505, dated the 9th instant, I am directed to inform you that Messrs Gordon Woodroffe & Co. have received instructions from the Procurator.

Alexandria Prize Court, in regard to the sale of dyes. The firm have not sent to this Govt a copy of the communication from the Procurator but have furnished ^{the} its substance which was reported to the Govt of India in my telegram referred to. The firm stated that it was not possible to ascertain by cable the prices of those dyes which are now procurable at home in view of the fact that details of each particular dye (list

This Govt have therefore asked ~~to them~~ to take early steps to ascertain ~~the~~ prices by post. In the meanwhile the dyes have been taken over from the firm. The Dyeing Expert states that the amount of dyes that can be sold to small dyers in the Presidency will depend entirely on the prices fixed. It is therefore not possible at present to distribute ~~over a~~ small portion of the dyes.

yours sincerely
