(Designation) SUPERINTENDING ENGINEER
Chief Engineer

To The Secretary to the Government of Madras,

Public Works Department.

Madras.

Sir,

I have the honour to submit herewith an application for permanent exemption from the examination rules on behalf of one, M. Bhagavanulu, a clerk on Rs. 20 in this Circle and to request that he may be permanently exempted from the examination rules to hold a clerk's post carrying a salary of not more than Rs. 30 per mensem.

2. In your memo. No. 6043-C dated 4th August 1913 you have negatived an application for temporary exemption on behalf of this individual on the ground that without showing that an effort has been made to obtain the services of a passed candidate, the case cannot

be submitted to Government.

3. In August 1913 the Sub Divisional Clerk's place of the Dummugudiem Sub Division of the Godavari Northern Division fell vacant and five permanent clerks were ordered in succession to proceed to Dummugudiem but in vain as they brought forward some reasonable grievance or other. Generally no clerk will willingly go to Dummugudiem Sub Division and even if he is ordered to go he will do so and come away on production of a medical certificate. This was what actually happened in the case of one D. Suryaprakasa Rao and the others would prefer to go on long leave rather than go to Dummugudiam. It was no doubt within the powers of the Superintending Engineer to insist upon such men carrying out his orders regarding their transfers after they return from leave but the efficiency of the Sub Division would be sacrificed by such constant changes of incumbents who would be unwilling workers from the outset. In these circumstances, the temporary clerks in the circle who were suitable for Sub Divisional Clerks places were asked if any one of them would be willing to go and that the one who was selected would be given a permanent clerk's post on Rs.20 with the condition that he should remain in the Sub Division for a reasonable time.

4. M. Bhagavanulu was willing to take up the post and he was accordingly given a permanent clerk's place on Rs.20 in spite of his being an unpassed candidate as there are no examination restrictions for posts up to Rs.20.

5. The Executive Engineer Godavari Northern Division (Mr. Ferns) in his No. 806-S dated 26--8--14 recommended that a personal allowance of Rs.10 may be given to this clerk vide copy of his letter herewith

submitted. As no examination qualifications are required in the Godavari Agency, M. Bhagavanulu was given a temporary promotion to Rs.25. on condition that he will continue to have it so long as he stays in Dummugudiem.

(6) Mr. Wainwright in his letter No. 224-S dated 11--3--16 (copy enclosed) again brings forward the case of this clerk in view of his capability which is not inferior to that of an average passed candidate, added to his hard work and trustworthy nature and recommends that he may be exempted from examination rules up to Rs.30 to 40 grade. I strongly support his case as the clerk deserves special consideration on account of his service in the Dummugudiem Sub Division and I beg to forward herewith an application to permanently exempt the clerk to hold posts carrying a salary of not more than Rs.30 for your favourable consideration.

I have the honour to be,

S i r,

Your most obedient servant,

M. Bhagavanulu

Letter No. 224-S dated 9/11--3--1916 from F.M.Wain-
Wright Esq., Executive Engineer Godavari Northern Division
to the Superintending Engineer First Circle.

Subject:--- Clerk M. Bhagavanulu.

I have the honour to report that M. Bhagavanulu Sub
Divisional Clerk of Dummugudem Sub Division has been render-
ing satisfactory work ever since he joined duty in this
Division in that capacity on 17--11--1913. Both the previous
and the present Sub Divisional Officers under whom he has
worked speak well of his capacity and consider him quite
as much capable as any passed clerk is expected to be and
I agree with them in thinking that he deserves to be exemp-
ted from the examination rules. At present he is being given
the acting promotion to Rs. 25/- (Vide Superintending Engineers
No. 1006-G.N. dated 25/26 November 1914 in consideration of
the facts set forth in divisional No. 806-S dated 28--6--14.
A case was made out by Executive Engineer Vizagapatam Divi-
sion, in his No. 350-S dated 27-6-1913 for the exemption of
this clerk from examination rules under which he cannot rise
to any substantive pay higher than Rs. 20 and he has detailed
therein the history of the clerk's previous service but the
Chief Engineer declined to recommend to Government his case
for exemption from examination rules vide Superintending Engi-
-neer's No. 1390-V.Z. dated 11/12--8--1913. In view of his
capability which is not inferior to that of an averaged
passed candidate added to hard working and trustworthy nature.
I consider that he is quite deserving of being exempted from
examination rules up to Rs. 30 to 40 grade and request that his
case may be sent to Government for necessary sanction with
your strong support.

Letter No. 806-S dated 25/26--8--1914 from A.E.Ferns Esq.,
Executive Engineer Godavari Northern Division to the Superin-
tending Engineer 1 Circle.

I beg to state that I have received a petition from the Head clerk of the Dummugudem Sub Division M. Bhagavanulu requesting to grant him a personal allowance so long he remains in that Sub Division.

2. The present pay of this clerk is Rs.20/- and he cannot get any promotion as he is an unpassed man and the Chief Engineer declined to recommend to Government his case for exemption from examination rules. Vide Superintending Engineer's No.1390-V.Z. dated 12--8--1913. The history of this Clerk's service prior to his transfer to this Division ~~he~~ was given by the Executive Engineer Vizagapatam Division in his letter No.350-S dated 27-6-1913 and to this I may add that his work in this Division is satisfactory and he is considered fit for a Sub Division Clerk's post.

3. The circumstances under which he was posted to the Dummugudem Sub Division was rather peculiar. Between february 1913 and August 1913 successive postings of clerks to this Sub Division had to be cancelled owing to either illness of the clerks or some other circumstance. All the permanent clerks dreaded this place and when none of them could be found for it the offer was made to this clerk who accepted it in view of his getting a permanent post.

4. It was pointed out in para 3 of this Office No.726-S dated 28--7--1913 that this Sub Division should have a clerk on Rs.35. and the reasons for having a highly paid clerk were also explained in the letter. The Sub Division Clerks in the plains generally draw a pay of Rs.30. and the Dummugudem Sub Division clerk should therefore draw this pay atleast. The duties require a more highly paid clerk but none of such clerks would go to this place, the

present clerk who has willingly gone up to it, should receive sufficient remuneration. The only way of doing so is to grant him a personal allowance as in the case of Lock Superintendent at Dummugudiem and I request that you will be good enough to obtain Government sanction for it. The allowance may be fixed at Rs.10 so that the clerk may get Rs.20 plus 10 Local allowance 7--8--0 " 37--8--0. He now draws only Rs.20 plus 5/- = 25/-. I strongly recommend this personal allowance.

5. I may mention here that the Sub Division Clerk of the Venkatapuram Sub Division gets Rs.50(40 plus Local allowance 10) and the conditions at Venkatapuram and Dummugudem are not much different. It may also be observed that the Assistant clerk of Dummugudem Sub Division gets now the same pay as that of the Head Clerk and this may be considered as one of the reasons to increase the pay of the latter.
