4. School.- The school which has a strength of about 1,000 boys is in need of a good play ground, and any request from the school authorities for assistance in the matter of acquiring play grounds would deserve support, as the school itself costs nothing to the Government.

The institution referred to by the H. M. is
apparently the Kshatriya School at Kondepatti. It
is a complete secondary school and
is being maintained mostly from subscriptions.
The following statement shows the total expenditure
on the school during the three years ending 1913-14
and the sources from which it is met: -

Year	Total expe Rs	Receipts	
		Subscriptions Rs	Practical grants Rs.
1911-12	7,900	7,700	200
1912-13	9,970	9,870	100
1913-14	14,323	14,323	,

2. It is observed that a ^{total} grant of Rs. 2,000 was sanctioned in L.P. no 47 Edl., dated the 15th January 1915 for the purchase of 2 acres of land for a playground about 3 furlongs from the school. This grant represents the whole ^{estimated} cost of the land to be acquired and no part thereof is to be met by the management of the school. No ^{further} action seems therefore necessary on the H.M.'s note on page 1 ^{submitted} ~~supra~~. ~~On the above subject~~ the papers may be circulated to the Hon. Sir P. S. Sivaswami Aiyar ~~through the~~ for perusal.
