In Government Museum, Madras, indent No.686 dated 6th October, 1915, a demand is preferred for an electric lantern with accessories, at an estimated cost of £34. 0. 4. The supply is required to be in accordance with particulars furnished by Messrs. Newton & Co., in their letter of 1st June, 1915, to the Superintendent of the Museum.

2. I have the honour to state that Messrs. Newton & Co., have quoted for the supply at a cost of £30. 6. 9. They have at present, however, none of these lanterns in stock. Moreover, they are unable to make any promise of delivery of the articles if ordered of them, as their works are a controlled establishment, and their output is confined to war stores.

3. A tender, amounting to £24. 8. 9. has been received from Messrs. John Wrench and Son, of 50, Gray's Inn Road, London, W.C., for a lantern of similar type to that demanded, and particulars of this firm's offer are enclosed for your information. Delivery would be made in eight weeks from the date of order. A copy of the catalogue, shewing the lantern quoted for, is being forwarded to your address under separate cover.

4. I shall be glad of an expression of your wishes in the matter.

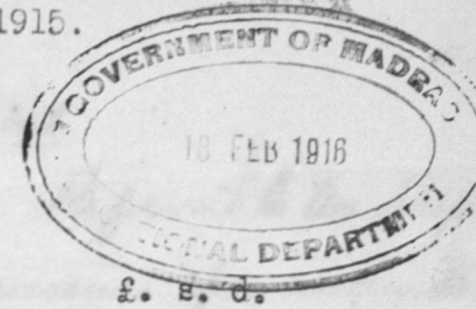

I have the honour to be, Sir,

Your obedient Servant,

The Secretary to the Government
of Madras,
