From (Name) The Hon. Mr. J. H. Stone, M.A., C.I.E., F.R.H.S.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

With reference to Government Memorandum No. 3290-1 Educational, dated 4th November 1915, I have the honour to state that the delay in the publication of the list of officers and appointments in the Educational Department has been unavoidable inasmuch as the list which consists of two parts is a complicated one containing full particulars of every appointment in the superior service in all classes and grades of institutions as well as offices in the Department together with a table of contents and an alphabetical index. In no other department are the appointments so numerous and so varied in regard to ^{their} this cadre and scale of pay and the

7 8

qualifications of the incumbents. Moreover, a number of appointments in the cadre of Sub Assistant Inspectors and training schools and girls' schools are temporary, sanction for their retention having had to be renewed in most cases from year to year. However, with a view to minimising the delay and ensuring the punctual publication of the list I have resolved to omit Part II, as also all the appointments in Part I now made by subordinate officers, viz., those to which a pay of Rs. 30/- and less is attached, and I propose further to publish the list half-yearly in future.

2. The subordinate officers will be required to maintain lists of the appointments made by them and the lists will be printed in cases in which the number of appointments is large. It does not, however, seem advisable to omit any of the details now given. I think that it will be possible to publish the revised list in about three months' time.

3. As regards question No. ^{III} III (a) asked by the Honourable Mr. V.S. Srinivasa Sastri at the meeting of the Legislative Council held on the 1st February 1916 copy of which was communicated with Memorandum No. 250-1 Edl., dated 10th February 1916, I have the honour to state that information regarding the strength and salary of each class of Sub Assistants and the number of posts vacant in it will be given in the Departmental List and its inclusion in the Quarterly Civil List is therefore unnecessary. As regards question ^{III} III (b), I do not think that there is any need for publishing a monthly list which will entail additional labour on my office as well as the Government Press -- without a proportion

proportionate advantage.

I have the honour to be,

It may perhaps be better to consult him as to what use is made of it in his department. He may also be asked to report on the suggestion whether the quarterly list cannot be made to include Supervisors also and whether this would not be sufficient for all purposes. If approved the file may be sent to the D.P.I. for remarks.

Please have a look at the two
Police lists - one half yearly &
including appointments down to the 60, &
one quarterly containing gazetted officers

this office. I take it that the
Secretary would be a corresponding quarterly
list for C.O. also. It is for consideration
whether this should include supernumeraries,
& whether it would not be rather un-
necessarily bulky. It is observed that
part XXII of the quarterly Civil list

The two lists of the Police Dept^t are submitted. It has been ascertained from Judicial that the list of gazetted appointments is issued monthly. The other list which is issued half-yearly goes down to Rs. 50. In the Educational Dept^t all gazetted appointments with which Govt. have to deal are included in the quarterly Civil list, as well as certain other classes of appointments such as ~~the~~ sub-assistant inspectors & assistant professors & lecturers in colleges. It does not appear that a separate list of gazetted officers in the Est^t Dept^t should be printed monthly as in the case of the Police Dept^t. The quarterly Civil list will be sufficient for all practical purposes.

As regards the general list, it is submitted that it now includes all appointments above the grade of menial servants. ~~The~~ The suggestion already made by the Secretary in his note of the 11th instant for the improvement of this list will, perhaps, for the present be sufficient. Please see papers with G.O. no 630 Edl., dated the 14th June 1915 which contain the notes on the previous question of the additional Member regarding ^{Sanctioned posts} the number of vacancies in certain grades of Educational officers on the first of April in 1913, 1914 and 1915. The Member was referred to the Quarterly Civil Lists for April 1913, 1914, and 1915 and to the list of officers and appointments in the Educational Dept. as it stood on the 1st April 1914. Not satisfied with this answer Mr. V.S. 2. The insertion of any additional information in the Quarterly Civil List has to be sanctioned in the Public Department. Educational will have to confine itself to the recommendation of the advisability of adopting the Additional Member's suggestion. His object in recommending the introduction of a gradation list of Sub-assistant inspectors in the Quarterly Civil List is apparently to secure the prompt filling up of vacancies. As observed, however, in paragraph 1 supra, the question of issuing a quarterly or half-yearly list of educational officers and appointments in lieu of the present annual list which contains the names of officers ^{arranged} according to rank, circle, and institution, is under consideration. This question is to be entrusted to a special officer to be shortly appointed. The issue of a list for educational officers ~~is likely~~ at shorter intervals is likely to be approved as a result of the above, in the near future. There appears therefore to be no necessity for furnishing the same information in the Quarterly Civil List also. It may be sufficient to ^{embody} give the information in the list of educational officers in the form recommended by the Additional Member in clause (a) of his question.

3. The suggestion in clause (b) regarding

the issue of a monthly list may be remitted to the D.P. D. for consideration with the main question referred to above.

4. The following draft answer is suggested:—

"The Govt. see no need for the insertion in the Quarterly Civil List of a graduation list of subassistant inspectors as they are separately considering the question of issuing ~~quarterly~~ ^{half-yearly} ~~quarterly~~ ^{half-yearly} the list of officers and appointments in the Educational Dept.

The suggestion in regard to the issue of a monthly list will be considered in that ~~other~~ connection."

24.1.16. 24/1/16.

I would suggest—

The Govt. are considering a revision of the arrangements under which the establishment lists of the Educational Dept are published, and will have the Honble member's suggestions examined in that connection.

It is submitted that a copy of the above may be sent to the D.P.I. in continuation of memo no. 3290-1 Edl., dated the 4th November 1915 and that he may be asked to consider these suggestions also. The draft memorandum placed below is for approval

a quarterly or half yearly list going down only to a first grade e. g. that of supervisors & with fewer details. In memorandum 250-1, dated the 10th February 1916 he was also asked to consider the suggestions of the Hon. Mr. V. S. Srinivasa Sastri to include in the Quarterly Civil list a grades list of subassistant inspectors and to publish a monthly list of educational officers down to and including subassistants.

2. The Director suggests that with a view to the more punctual ^{publication} ~~submission~~ of the list ~~the~~ it ~~list~~ may be reduced by the omission of Part II containing instructions for and district war particulars and also the appointments in Rs 300 and less and that the list may be published half yearly. ~~Submitted~~ He is not, however, in favour of reducing the particulars in the list. Submitted that the omission proposed may be accepted. ~~In this case the list will be reduced to about 50 pages~~ The question of the publication of the list every half-year is noted on in the ~~preceding~~ paragraph.

3. Mr. Stone does not recommend the adoption of either suggestion of the Hon. Mr. V. S. Srinivasa Sastri. ~~Accordingly~~ Mr. Stone thinks that the publication of a monthly list will entail additional labour on his office as well as the Govt. Press without any proportionate advantage. The Director

24

view in this regard seems acceptable.

As regards the other proposal to publish in the Quarterly Civil List a graduation list of sub-assistant inspectors with information regarding the number of vacancies in each class, Mr Stone states that as the latter will find a place in the departmental list, he sees no necessity for the incorporation of the same particulars in the Quarterly Civil List. This may also be concurred in. It will thus be seen that there will be two lists, one showing ^{the} sub-assistant establishment district wise and the other according to the grade. The two supplementing each other will furnish all the necessary information. As, however, the Civil List will be published quarterly it may be convenient if the departmental list is also similarly published, instead of half-yearly as proposed by the Director. As the list will, if the reduction proposed, is accepted, occupy only about 80 pages, it may not involve much labour in printing. Medical, Salt and Jail Departments publish quarterly departmental lists. For order therefore whether the Director may be requested to arrange for a quarterly list.

By CA 16.4.16 16.4.16 16.4.16 I consider a quarterly list is really money. Half-yearly list are almost always
