GOVERNMENT OF BOMBAY.

FINANCIAL DEPARTMENT.

Order No. 1417.

Bombay Castle, 6th May 1916.

Letter from the Accountant General No. P.—7-4965 dated 1st February 1916:—

"I have the honour to state that at the request of the Accountant General, Madras, a second class passage to London was booked by this office in December last for state scholar Miss Kathleen Mabel Myers, and the cost of the passage (Rs. 610) was accordingly debited to 'Imperial Revenues' through this office exchange account with the Comptroller, India Treasuries, Calcutta. The Accountant General, Madras, now intimates that the Government of Madras have since ordered that the passage money should be debited to Provincial Revenues and requests to adjust the charge finally on the books of this office, inter-provincial adjustments being not permissible under Articles 1105 and 1337 of the Civil Account Code, Volume II. I would request therefore that the source from which the charge should be met may kindly be pointed out."

Memorandum * from the Educational Department of the Secretariat No. 431 dated 11th February 1916.

"The Accountant General, Bombay, has reported that at the request of the Accountant General, Madras, a second class passage to London was booked in December 1915 for Miss Kathleen Mabel Myers, a state scholar from Madras, and that as usual the cost of the passage, *vis*, Rs. 610, was debited to Imperial Revenues through exchange accounts. In this connection I am directed to invite attention to the correspondence ending with your letter † No. 1048-Edcl.—Mis. dated 23rd September 1915 regarding inter-provincial adjustment of the charges incurred by the Government of Bombay on account of certain stipendiary students from Madras, and to enquire whether the Government of Madras has any objection to the charge of Rs. 610, as well as the charges which will be incurred in similar cases in future, being adjusted in the books of the Accountant General, Madras."
