GOVERNMENT OF MADRAS

EDUCATIONAL DEPARTMENT

READ—the following papers :—

I

Letter—from K. T. B. TRESSLER, Esq., Director of Industries.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 25th/26th February 1916.
No.—B. 14.

I have the honour to submit herewith for sanction an application for building grant on behalf of the Vellore Anjuman. Rupees 7,000 were budgetted for this purpose during the current year but the school authorities took a considerable time in preparing the application in the proper form and I only received the application completed three days ago.

2. I have asked the school to show cause why, in view of the present financial stringency, their work should be proceeded with and I have also inspected the school in order to satisfy myself regarding the necessity for the expenditure. I find from observation that proper accommodation is absolutely imperative. The school is a fairly large one and the buildings now occupied are so extremely small and cramped that it is quite impossible to do proper work. The authorities were instructed two or three years ago to make arrangements for better accommodation but experienced a great deal of difficulty in finding a proper site. The question has therefore been pending for a considerable time and now that the proper site has been found, I consider that the work should be proceeded with. I shall be unable to spend the whole grant this year, but I am anxious to spend as much as I can and, pending the sanction of the estimate, I request to be informed urgently if the management can be permitted to collect materials. I think some Rs. 2,000 and odd can probably be spent in this way before the end of this year.

3. The favour of very early orders on this point are requested.

II

Memorandum No. 721-1, Educational, dated 1st March 1916.

The Director of Industries is informed that no grant from Provincial funds should be disbursed or promised to the correspondent of the Anjuman Industrial school at Vellore towards the construction of a new building for that institution in anticipation of the orders of the Government on the plans and estimates for the work. The latter are being expedited.

P. RAJAGOPALA ACHARIYAR,
Secretary to Government.

To the Director of Industries.

III

Note by the Chief Engineer, Public Works Department, No. 3359-C., dated 11th May 1916.

The Director of Industries submits through the Educational Department two plans and a detailed estimate amounting to Rs. 19,650 for a grant-in-aid towards the cost of constructing the Anjuman Industrial school (Anjuman-I-Isha-A-Thul-Hasanath) at Vellore, North Arcot district.

2. The plans and estimate have been scrutinized in the Chief Engineer's office, and it is observed that for supporting the terraced floors four girders are shown on the plan whereas six are provided in the estimate. Necessary correction has now been made so as to agree with the provision contained in the plan; and the estimate has in consequence been reduced from Rs. 19,650 to Rs. 19,450.

3. According to section shown on R.E. No. 1/1915 the line A B drawn on the plan should be as shown in red chalk; the height of the door marked X on section A B should according to the plan and estimate be 10 feet.

4. The parapet wall at Y on section A B should be supported by two timber joists as shown in red chalk on the drawing.

5. The Superintending Engineer should satisfy himself as to the suitability of the foundations.

6. With these remarks, the estimate as altered in the Chief Engineer's office amounting to Rs. 19,450 is recommended for approval.

S. B. MURRAY,
Chief Engineer, P.W.D.

Order—No. 551, Educational, dated 20th May 1916.

The Government are pleased to sanction a grant not exceeding one-half of the actual expenditure, nor Rs. 9,725, towards the cost of constructing a building for the Anjuman-I-Isha-A-Thul-Hasanath, Vellore, subject to the following conditions :—

(1) that in carrying out the work the suggestions of the Chief Engineer in his note read above are adopted; and

(2) that all the conditions prescribed in the Grant-in-Aid Code have been duly complied with.

2. On the above conditions being fulfilled the grant will be paid as funds become available.

(True Extract)

P. RAJAGOPALA ACHARIYAR,
Secretary to Government.

To the Director of Industries, with plans, estimates
 and Chief Engineer's note.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O. No. 551, EDUCATIONAL, DATED
THE 20TH MAY 1916.

[SUBJECT.—*Application for a building grant for the Anjuman industrial school at Vellore.*]

From the Director of Industries, dated the 26th February 1916, No. B/14.

Please see correspondence and notes with G.O. No. 52, Educational, dated the 23rd February 1915 and Mr. Tressler's current letter forwarding revised plans and estimates amounting to Rs. 19,650 for the construction of a new building for the Anjuman industrial school at Vellore. Until the revised plans and estimates are scrutinized and approved by the Public Works Department it seems to be inexpedient to make any grant from Provincial funds in aid of this work. The existence of provision in the current year's budget for this purpose does not, it is submitted, justify a departure from the rules in the Grant-in-aid Code. Mr. Tressler may therefore be informed at once that no grant should be made to the school authorities until orders issue on the plans and estimates for the work. A draft memorandum to this effect is submitted for approval. After it has been despatched, the plans and estimates may be forwarded to Public Works Department for scrutiny.

V.S.—1-3-16.

I have made it clear that no grant should be disbursed or promised in anticipation of the orders of Government. Issue sharp.

P. RAJAGOPALA ACHARIYAR—1-3-16.

[Memorandum No. 721-1, Educational, dated the 1st March 1916.]

The memorandum has issued. The plans and estimates may now be sent to the Public Works Department for scrutiny.

V.S.—3-3-16.

P.R.—3-3-16.

INSTRUCTIONS FOR THE SECRETARIAT.

(a) If a paper is marked to be printed urgently, the Superintendent of the section concerned should sign the Press slip. The Superintendent should exercise a careful discretion in the matter.

(b) Each letter, memorandum, or order, or set of orders, in the file of correspondence should be headed in succession with the Roman numeral I, II, III, etc., the number being written in red ink or blue chalk above the item. The particular papers to be printed in the special issue-copies should be indicated by the Roman numeral (I, II, etc.) by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(b¹) For rules regarding printing of notes, see rule 315 of the office Manual.

(c) The number of copies and the details of distribution should be filled in by the Superintendent or Referencer concerned.

(d) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for one week, and larger papers for two weeks only. The type of notes and of all confidential papers is distributed immediately after striking.

(e) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Registrar with a remark to that effect.

(b) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Registrar any instance of incomplete or careless editing.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(e) The names of the Secretary and Members should be printed in full when they occur on the right hand side, only the first time when they appear on the left side, the initials alone being printed later.

* Copies distributed on ‡ (Press Clerk).

† Copies distributed on ‡ (Press Despatcher).
