From (Name) The Hon. Mr. J. H. Stone, M.A., F.R.H.S.C.I.E.,  
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,  
Educational Department.  
Sir, (Through the Accountant-General.)

I have the honour to submit for the favourable consideration of Government the enclosed letter from Miss J. Patterson, acting Inspectress of Girls' Schools, Southern Circle, requesting that she may be declared sub-pro-tem in the Indian Educational Service.

2. On the retirement of Miss Arnold in January 1915 I recommended in my Cl. No. 67, dated 2nd December 1914 that Miss Patterson be appointed to act as Inspectress of Girls' Schools, Southern Circle, in the Indian Educational Service on the usual allowance of Rs. 100 per mensem and though the vacancy was then permanent I did not recommend her appointment sub-pro-tem for the reason that it would require the

sanction of the Secretary of State. Again when Miss Dixon went on long leave from 15th March 1915 Miss Patterson was recommended for the post of Superintendent, Presidency Training School for mistresses by Mr. H.S. Duncan, but as Government entertained some doubts about her fitness for the post the matter was referred to me, and I said that the fact that Miss Patterson was not confirmed as Superintendent of the Presidency Training School when the post fell permanently vacant should not be taken as indicating her positive unfitness for it but that it was thought better to have a lady of European Education and training and that I did not recommend her appointment as Superintendent, Presidency Training School mainly because she did not want to be disturbed from her acting Inspectresship. Now that Miss McLeod, her junior, has been appointed sub. pro. tem. Superintendent, Miss Patterson urges that her claims for a sub. pro. tem. place in the Indian Educational Service should be considered in connection with the vacancy caused by Miss Arnold's retirement. She is a graduate with over 29 years service in the Department and has acted on several occasions in the Indian Educational Service, as Inspectress and as Superintendent, Presidency Training School, since 1908. I may further mention in this connection that Miss Patterson requested in 1913 that she might be declared sub. pro. tem. Superintendent, Presidency Training school from 1st September 1912 when she acted in that capacity on the retirement of Miss Bernard, but Sir Alfred Bourne did not recommend her request as the sanction of the Secretary of State was necessary.

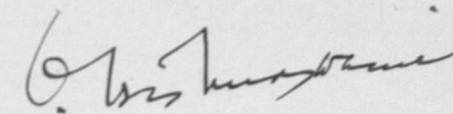

In these circumstances, I beg to request that Government will be pleased to take steps for declaring Miss Patterson's appointment as Inspectress sub. pro. tem. in the Indian Educational Service from the date of joining the present post. This arrangement may continue pending consideration of my proposal for the creation of a fourth Inspectresship outside the cadre of the Indian Educational Service to

which Miss Patterson may be appointed, an European lady  
being got from England for the post of third Inspectress.

I have the honour to be,

S i r,

Your most obedient servant,

for Director of Public Instruction.

Office of the Inspectress of Girls' Schools, Southern Circle, Camp Mangalore, 27th November 1915.

From

Miss J. Patterson, B.A.,

Acting Inspectress of Girls' Schools,  
Southern Circle.

To

The Director of Public Instruction,  
M a d r a s.

S i r,

With reference to the notification of the appointment of a sub pro tem Superintendent in the Presidency Training School for mistresses in the Fort St. George Gazette dated 16th November 1915, I have the honour to invite your attention to the following facts:-

(a) On the retirement of Miss Bernard from the service I requested to be made sub pro tem Superintendent, and you saw fit to refuse my request.

(b) In my letter No. R.C. 1818/14, dated 9th April 1915 I asked to be appointed sub pro tem Inspectress of the Southern Circle and was referred back to the previous order. I thought it was a strange reply to give after that lapse of time when the question of pension was actually looming in sight and ignoring all that I had done in the interim to remove any disabilities on my part and to widen my knowledge and experience. But I let the matter rest hoping that when you returned you would put things right.

Now that some one has been appointed as sub pro tem Superintendent, who was in the same grade as myself, but with lower qualifications and my junior in service, I am obliged to press my claim before your notice again, not this time on the score of pension, but as a mere act of justice.

If you have any fault to find with me, let me know

what it is, but do not, I beg of you give me a repetition of the pain I went through two years ago. I have served Government honourably and faithfully and it is very hard that I should need to ask for that which seems to be mine in the natural course of events.

I have the honour to be,

S i r,

Your most obedient servant,

J. Patterson,

Ag. Inspectress of Girls' Schools,  
Southern Circle.

acting superintendent of Presidency

the grade of Rs 350-10-450.

Miss Patterson's complaint is that she  
has been only appointed to act in the I. E. S.  
while her junior, Miss Macleod, ~~is appointed~~ has  
been appointed sub. problem in that service.

In the first place it is  
~~observed~~ observed that so far as the  
emoluments in the acting appointments are  
concerned, both these affairs stand on the same  
footing, each of them getting Rs salary of Rs. 350.  
[The house rent allowance of Rs. 80 per mensem  
drawn by Miss Macleod is specially attached to  
the post of the Superintendent of Presidency  
Training School for mistresses and should not  
be included in the salary.] <sup>Secondly</sup> Although the Local  
Govt. appointed Miss Macleod subproblem ~~and~~  
~~therefore~~ in order to allow her to draw the  
full pay of the post, the Govt. of India ~~has~~  
suggested that it would be more convenient  
to give her an acting allowance of Rs 100  
per mensem as in other similar cases. This  
suggestion has been adopted - G.O. no. 426 Edl.,

dated the 17<sup>th</sup> April 1916. According to this order Miss MacLeod can only be treated as acting in the D. I. S. It will thus be seen that there is no legitimate cause for Miss Patterson's complaint. The <sup>papers</sup> notes connected with Miss MacLeod's appointment do not show that it was intended <sup>to put her on</sup> (and it is shown above that the former had neglected treatment) Miss Patterson. For orders therefore whether the Director may be held in the above terms.

Dear Stone,

With reference to your official letter No. 9400, dated the 14th ultimo, forwarding an application from Miss Patterson requesting that the appointment she is now holding in the Indian Educational Service may be declared sub-protém, it is noted that the request is preferred on the <sup>mainly</sup> ~~main~~ grounds that an officer junior to her, Miss Macleod, has been granted the concession of holding an Indian Educational Service appointment sub-protém while Miss Patterson herself holds only an acting appointment. I am to explain that this statement is not altogether correct and that practically Miss Macleod has not been accorded any better treatment than Miss Patterson. Though Miss Macleod was first appointed sub-protém in order to enable her to draw the full minimum pay of the post of ~~the~~ Superintendent of the
