(Designation) COLLECTOR.

To The Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to submit herewith the application of C. Mir Saaduddin Sahib, Head Shroff of my Treasury requesting that he may be exempted from the general educational test prescribed for superior government service, so that he may be eligible for the post of Huzur Treasurer.

2. The applicant was first entertained as a clerk in the Cuddapah Collectorate in 1885, and was appointed as 2nd Shroff there in 1893 and since then he has had his promotions regularly in the line of Shroffs. He was brought to this district in 1901 as permanent Head Shroff on Rs 50, and he has ever since been holding that

post

post with credit. The applicant having been reported to possess sufficient knowledge to discharge the duties of the Huzar Treasurer satisfactorily, Mr. Robertson, a former Collector of this district, recommended him for permanent exemption from the examination rules so as to render him eligible to hold that post, but the Government were not pleased to grant the exemption ---Vide C.O.411-Misc., educational, dated 13-5-12. He renewed his application in 1913 but it met with the same result--Vide C.O.No. 149-Misc., educational, dated 18-2-13. The post of the Huzar Treasurer now carries a salary of Rs125 per mensem, but it is proposed to reduce the pay of that post to Rs70 on account of the opening of a Branch Bank of Madras which is under contemplation. When the Bank is opened the post of the Head Shroff which the applicant holds, will be brought under reduction. He will then have to be provided with a post of equal pay (Rs50) as he has not completed 55 years of age and cannot be compulsorily retired from service. As he has all along been working in the Treasury branch he ~~wo~~uld be useful only in the Treasury but not elsewhere. He belongs to a respectable Mahomedan family and bears a good character and my Treasury Deputy Collector recommends that he will make an efficient Treasurer from his long experience. There are very few persons in this district among the Mahomedans fit for such responsible posts, and the applicant is one of them. In the above circumstances, I request that the Government will be pleased to view his case favourably and grant him the exemption so as to render him eligible for the post of the Huzar Treasurer on Rs70.

I have the honour to be,
Sir,
Your most obedient servant,

M. Alexander

THROUGH THE TREASURY DEPUTY COLLECTOR

BELLARY

Most honoured Sir,

I learn that a Branch Bank of Madras will be opened here very shortly and the late Treasury Deputy Collector sent revised ~~scale~~ scale reducing the pay of Cash-keeper to Rs.70. As the permanent Huzur Treasurer now drawing Rs.125/- will have to retire from service when branch Bank of Madras is opened I beg to offer my humble services for the Cash-keeper's post on Rs.70/-. I am now in my 52nd year and I mean remaining in service till I complete my 55 years of age. Mr. Robertson the late Collector of Bellary recommended twice for exemption from educational rules for Treasurer's appointment on Rs.125/-. Unfortunately the Government declined to grant me permission. And I put in a petition again to your honour also last year backed up with strong recommendations of my Treasury officers Your honour was pleased to say that there is no reason to move the Government when once it has declined. Now the Cash-keeper's post having been reduced to Rs.70 I am the next man for the post being the Head shroff drawing Rs.50/-. The several Treasury Deputy Collectors under whom I served left good records about my qualifications and high family. The Collectors Mr. O.F. Olf Marray; Mr. H.O.D. Harding Collectors of Cuddapah, Mr. R.C.C. Car and Mr. Robertson Collectors of Bellary have also spoken very highly about me in recommending to Government to the Treasurer's post. Under these circumstances I beg to pray your honour will be pleased to bestow on

In 26.4.16 Please see the letter which gives, in my opinion, adequate grounds for the exemption applied for. I am for granting the exemption. Has Rev any objection? I shall mark the paper for the Rev at.

The objection that he will have to be provided with a post of Rs. 50/- (apparently in a line where he would be of no use) is the addl. argument now brought forward.

4.5.16

The post of Treasurer is very important and requires educational qualifications. I think that an unqualified officer who has hitherto been a Shoppy would be a bad selection for the post of Treasurer. As, therefore, I think that this person's appointment, far from being in the public interests, would be against it, I cannot support the proposed exemption. Doubtless the applicant would be of little use in any post other than that which he now holds (could he not be granted a compensatory pension?), but at least he will do less mischief in a so superior post. Note that HM (Revenue) will see, before disposal.

I agree with the Honble Mr. Rajagopal Chariar that the Collector's recommendation may be accepted. The Collector proposes to select this man for the post of Treasurer. He knows the individual, we do not; the appointment is his gift & he is responsible for the fitness of the officer he selects. The only question for us is whether exemption from the ordinary rules should be granted. The man is a Muhammedan & the recommendation comes from a D- where Muhammedans are rarely qualified for high appointment & where educ. generally is rather backward. Moreover if this man is not promoted, he must be provided with another post or
