To The Secretary to the Government of Madras,
(thru' the Accountant-General), Educational Department.

Sir,

In continuation of my letter R. C. No. 9432/15 dated 9th March 1916, I have the honour to request that you will be so good as to obtain the sanction of Government for the opening of a hostel in connection with the Queen Mary High School for Indian Girls, Vizagapatam, with effect from 1st June 1916.

2. The Inspectress of Girls' Schools, Northern Circle, reports that in the Ganjam and Vizagapatam district people are so highly conservative that parents have strong objections to their widowed daughters living away from --

 them and that unless a Telugu Brahman lady of good character and status who will exercise influence and control over the inmates of the hostel is employed as Superintendent, the measure will be viewed with disfavour. She states that she has now succeeded in securing the services of a respectable Telugu married Brahman woman who is willing to accept the post of Superintendent of the hostel, and that, to start with, the scholarship-holders of the school who have come from the moffussal and who number over 20 may be required to join the hostel.

A building large enough to accommodate the above number has been selected by the Inspectress on a rent of Rs. 85 per mensem and the landlord has been asked to hold it in readiness by the 1st June next. I think the house may be rented for a period of 10 months from 1st June 1916.

The charges are estimated to be as follows:-

Superintendent's allowance	Rs. 50 per mensem
(including wages of the undermentioned establishment --	
Waterwoman.	7
Watcher.	7
Sweeper.	2
Scavenger.	4
	20

House rent.	" 85 per mensem

	Total Rs. 135 per mensem

Non-recurring charges for equipment such as vessels, furniture etc.	Rs. 300

I consider the Inspectress's proposals to be moderate and accordingly beg to recommend that sanction be accorded to the incurring of a recurring monthly charge of Rs. 135 as detailed above and an initial outlay of Rs. 300 to start the hostel.

3. The total charge during the current official year will be Rs. 1,515 (Rs. 135 x 9 = 1,215 + 300), and this can be met from the savings anticipated in the lump provision of

Rs. 10,000/- in the current year's budget for opening additional training schools for women.

Office Note.

When I was in Waltair last week I received a deputation including the chairman of the municipality and various other representatives of the local public. One of the matters they mentioned was that of a hostel for girls. They said that it was proposed to provide a hostel but that ~~the~~ delay was likely to occur in acquiring the site and building or acquiring a building and they asked whether a hostel could not be started at once in a rented building. I replied that I had no personal knowledge of the subject but that I would mention their representation in the proper quarters. Will the Educational Department kindly look into the matter and take whatever action may be necessary?

② on page 3 of G.O. 1138 Vol. 4, the 13th October 1915. The allowance in the present case is rather high, but it appears to be inevitable. With reference to para. 3 of the Director's letter

it is submitted that the lump provision of Rs 10,000 was meant for opening two elementary training school for mistresses. No proposals have been submitted to Govt for the utilization of the provision.

It has been suggested in the file relating to the reorganization of the staff of the Govt. training school for mistresses, Coimbatore, that the extra cost of Rs 2,200 ^(required for the purpose in) ~~for~~ the current year, might be re-appropriated from this provision. As it appears

desirable to improve the existing schools in preference to adding to their number ~~of schools~~ in the present financial situation, the Director's proposal to divert the anticipated savings to the purposes of the hotel may be approved.

The extra cost involved in the proposed opening of a hostel, from 1st June 1916, in the Queen Mary High School, Vizagapatam is as shown below:

	Extra cost per Rs.
<u>Recurring</u>	
(a) Supdt's allowance (including servants' wages)	50
(b) House rent	85
(c) Equipment (Vessels, furniture etc.)	300
<u>Non-recurring</u>	
(d) House rent	135 per

2. Please see notes on pages 1-3 ante as regards the necessity for immediately opening the proposed hostel.

3. The details of the Expenditure are examined below:

Items (b) and (c) - House rent and Equipment. No remarks. The expenditure on house rent will continue until a Govt building is constructed.

4. Item (a) - Supdt's allowance (including servants' wages) - In the Indian Christian hostel attached to the Govt. Secondary and Training School for mistresses, Triplicane, an allowance of Rs 40 p.m. (including wages of servants) has been sanctioned to the Supdt -

vide G.O. 63 Ed. S. 15-1-14. Subsequently in

G.O. 473 Ed. S. 28-4-14, Govt. sanctioned the Employment in the same hostel of a sweeper

on Rs 4 and a watchman on Rs 7. The net allowance left to the Supdt. after meeting wages of servants seems to be Rs 20 p.m. only. In the non-Brahman caste Hindu

hostel attached to the same school, Govt. have sanctioned a consolidated allowance, inclusive of servants' wages, of Rs 30 p.m. to the Supdt., who gets out of this sum ^{a net sum of} Rs 15 p.m. only. The Govt. have also in addition agreed to bear the cost of a night watch on Rs 7 in this hostel. pages 2-3

of G.O. 1138 Ed. S. 13-10-15. immediately

In G.O. No. 33 Ed. S. 9-1-15, Govt. sanctioned a consolidated allowance of Rs 28 p.m. (including Rs 8 as wages for servants) to the matron of the two hostels attached to the Govt. Training School for mistresses, Karantallangudi, and agreed to meet in addition the cost of a cook on Rs 6 from Provincial funds for a period of one year.

It will thus be seen that the consolidated allowance of Rs 50 p.m. (of which

about Rs 30 goes to the Supt, proposed in the present case is rather high; and it is for orders whether, having regard to the remarks of the D. P. S. in para 2 of his letter on pages 3-4 CF., an allowance of Rs 40 per, inclusive of servants' wages, will not suffice.

5 The draft order may be accepted, subject to the remarks in para 4 above.

These / I think we may agree. If we deduct another Rs 8/- for the cook the Supt will be left with Rs 22/-
