No. B46

Station Madras, Dated the 17th May 1916

From (Name) K. T. B. Trassler.

(Designation) Director of Industries.

To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

(V) With reference to G.O. No.302 Edl., dated 21st March 1916 I have the honour to state that I have received a petition from S. Jesudasan who has been awarded a Government Scholarship at the Victoria Technical Institute, Bombay, asking for permission to continue his studies at the University instead of the Victoria Technical Institute, Bombay.

2. The reasons he gives are that he has been studying in the B.A. honours class and thus qualifies for a high University course whilst the educational standard at the Victoria Technical Institute is only equivalent to Matriculation. I consider his argument to be reasonable and in

and, in view of Government Memorandum No. 662-1 Edl., dated 15-3-16 referring the proposal of the Director of Public Instruction ^{expressing} the desirability of extending the scholarship to the Madras Engineering College, I have the honour to enquire if Jesudasan's request can be granted. He asks for permission to study in a college of Engineering, and specially mentions Poona where, he says, the course would suit him best. I cannot recommend his going to Poona seeing that we have a college of our own in Madras; but I recommend his being permitted to attend the Madras College Course.

I have the honour to be,

Sir,

Your most obedient servant,

Director of Industries.

C. No. 1767 From the D. I.

No. B. 46, dated 12.5.1916.

SUBJECT. For: the scholarship awarded to S. Jesudasan.

In the circumstances stated the scholarship awarded to S. Jesudasan will, it is feared, have to be cancelled. The question of instituting special scholarships in the Madras Engineering College for the study of electrical and mechanical Engineering is still under consideration and until the detailed proposals on the subject, called for in Memo No. 662-2 Edl.; of the 8th April 1916, are received from the B.P.D. and examined, it would be premature to consider Mr. Jesudasan's present recommendation to allow Jesudasan to avail himself of the scholarship at the Engineering College, Madras.

2 A draft order and a draft letter to the Govt. of Bombay informing them that Jesudasan has since withdrawn his candidature for the scholarship are submitted for approval.
