 Sir,

From
 The Hon'ble Sir E.D. MacLagan, K.C.I.E., C.S.I.,
 Secretary to the Government of India,

The Secretary to the Government of Madras,
 Educational Department.

I am desired to acknowledge the receipt of your letter
 (V) no. 468, dated 30th April 1916, regarding the proposed Mysore
 University and to convey the Government of India's appreciation
 of the manner in which the Syndicate of the Madras University
 and the Government of Madras have examined the question laid
 before them by the Government of India. From the enclosed
 copy of a letter no. 465 dated the 16th May 1916 to the
 Resident in Mysore it will be seen that the views of His
 Excellency in Council have been commended for the careful
 consideration of the Durbar.

2. With reference to the remarks made in paragraph 2 of
 your letter I am to explain that the Government of India
 recognize the difficulties under which the Government of Madras
 and the Syndicate laboured in dealing with the question at short
 notice, but it will be understood by the Governor in Council
 that an early reply was rendered necessary by the desire of the
 Durbar to start the University from the 1st July next.

I have the honour to be,

Sir,

Your most obedient servant,

Emachen

Secretary to the Government of India.

From

The Hon'ble Sir E.D. MacLagan, K.C.I.E., C.S.I.,
Secretary to the Government of India,

To

The Hon'ble the Resident in Mysore.

Sir

With reference to correspondence ending with your telegram No. 3087, dated the 3rd instant, regarding the establishment of a University in Mysore, I am directed to forward a copy of a letter No. 468, dated the 30th April 1916, from the Government of Madras, enclosing a copy of a letter dated 30th March from the Registrar of the Madras University communicating the views of its Syndicate on the draft scheme for the Mysore University. It will be seen that the Government of Madras is of opinion that, even should postponement be involved, full consultation between the Durbar and the Madras University on the important matters of principle mentioned by the Syndicate should precede the establishment of the University.

2. I am to say that the Government of India concur in the opinion expressed by the Governor in Council and to request that it may be commended to the Durbar for their careful consideration.

I have the honour to be,

Sir,

Your most obedient servant,

Sd/- E.D. MacLagan,

Secretary to the Government of India.
