Station Madras, Dated the 16th May 1916

From (Name) The Hon. Mr. J.H. Stone M.A., F.R.H.S., C.I.E.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to address Government with regard to the Final Examination for Teachers' Certificates referred to in Chapter XI of the Madras Educational Rules.

2. The consensus of opinion among the inspecting officers is in favour of the abolition of this test for both Secondary and Elementary grade teachers. It is felt that the test is an artificial and very partial one, held in a strange environment and under conditions which handicap the examinees. It fails to test the in situ work of the teacher,

R. O. C. No. 1267/46 dated the 16-5-1946.

SUBJECT. Abolition of the final exam.
for teachers' certificates.

The consensus of opinion among inspecting officers leaning in favour of the abolition of the final examination for teachers' certificates for both elementary and secondary grade teachers, the Director's present suggestions ^{to} ~~for~~ doing away with the test and to substitute therefor the alternative procedure for the completion of the certificate outlined by him in para 3 may be accepted. It may be observed that under the revised university regulations for the B. T. Degree examination the practical portion of the examination has been abolished - Vide G. O. 624 Edl. dt the 20th Nov. 1949.

2 The Director however does not want any formal orders now. All that is necessary now is to authorize him to make these changes at the time of the next revision of the Educational Rules. Vide para 5 of the letter. A draft D. O. is submitted for approval.
