SIR,

(15)

With reference to G.O. No. 82 Educational.R dated the 27th March 1916, sanctioning an expenditure during 1916-17 of a sum of Rs.1,000-0-0 on account of the temporary establishment in the office of the Commissioner for Government Examinations, Madras, I have the honour to enquire whether this sum is intended to include the grain compensation allowance granted to the establishment during the year, or whether no Grain Compensation Allowance should be allowed to the holders of temporary appointments.

I have the honour to be,
Sir,
Your most obedient servant,

H. Holman
Deputy Accountant-General.

SUBJECT.

Grain compensation
allowance to the temporary
establishment in the L. G. S's
office.

G. O. 162 (R) (M)
21-2-15

As in the previous year

(16) The Govt. in their order 82 (R) Edl.,
of the 27th March 1916 sanctioned and
expended during 1916-17 of a sum of
Rs 1000 on account of ^{The} temporary
establishment in the office of the
Commissioner for Govt. Examinations.
The A. G. now enquires whether this
sum of Rs 1000 includes the grain
compensation allowance on account of
the temporary establishment, or whether
no such allowance should be allowed
to the members thereof.

2 The general policy in
regard to grain compensation
allowance is that the allowance
should be abolished in respect of all
Govt. servants, ~~with~~ a permanent
enhancement of pay being substituted
therefor - Vide para 344 of Memo No.

⑤ Memo. 520-3 Fnl, dated the 19th Novr. 1913, on page 4 of G.O. 812 Fnl, dated the 19th Novr. 1913. The temporary establishment in question cannot therefore be granted any grain compensation allowance.

It is however understood from the Compt's office that the allowance is being granted to the establishment, but that the expenditure of Rs 1,000 sanctioned on account of that establishment does not include grain compensation allowance (vide telephone at ①)

⑤ 3. It is not known how in the face of Memo. 520-3 Fnl, dated the 19th Novr. 1913 quoted above, the Commissioner has allowed the holders of the temporary appointments to draw grain compensation allowance. It is also not known why the allowance has been granted, without obtaining the sanction of the Govt, when the sanctioned amount of Rs 1,000 does not provide for the payment of the allowance. Before passing orders, it is submitted that the remarks of the Commissioner for Govt. Examinations may be invited, etc.

the first place seems to deal only with Government servants in permanent employment, and it is not accurate to represent a departure from the practice obtaining in this office from the time the fair compensation allowance system was first introduced of fixing the allowance to the temporary establishment. Further the sum estimated as necessary for temporary establishment has never included f.c. allowances which have always been debited to the head of allowance whether given to permanent or temporary employees. The Accountant General challenges this practice in the office of the Director of Public Instruction and in his letter P.A. 3. / 12 191 of 15. 12. 15 approved its continuance and by implication the part of f.c.a. to ~~include~~ the temporary establishment. The grounds on which the practice was supported in the C.P.T.'s office are set forth in C.P.T.'s letter R.C. 6717/15 of 31. 12. 15. to H.S. and they are based there on which would support the practice in the Commissioner's office, and as before remarked they have been considered satisfactory in the case of the C.P.T.'s office.

12. 1. 16.

From the remarks of the Commr. for Govt. examinations on the previous page it appears that the Accts. Genl. has approved of the practice obtaining in the office of the D. P. I. of giving grain compensation allowance to temporary establishments and of debiting the amount to the head of "allowances." The same practice may therefore continue in the office of the Commr. for Govt. examinations.

But before informing the Accts. Genl. that the sum of Rs 10,000 sanctioned on account of temporary establishment does not include grain compensation allowance, the Financial Deptt may be requested to advise whether there is any objection to the continuance of the practice referred to at A. above.

For A.S.

The budget estimates for (i) the office of the D.P.I. and (ii) the office of the Commissioner for Govt Examinations contain each a lump provision of Rs 1000 on account of temporary establishments. These temporary establishments are engaged year after year, under sanction of Govt which is given annually, and the provision made in the budget is also repeated each year.

2. As regards g.c.a, the D.P.I. states that it has always been given to them from the time that the allowance was started; and that the charges on account of it have been debited to "allowances" in the past, while the charges on account of pay alone have been taken as a debit against the provisions of Rs 1000 referred to above - p.3 ante. Please see also the D.P.I.'s letter to the A.G. No. 16767/1573 31-8-1915, wherein he has explained that if the g.c.a. be met from the

allotment of Rs 1000, referred to in para. 1. above, the effect of it will be to make the balance available. insufficient to meet the pay of temporary establishments required annually.

3. With reference to an inquiry now made by the A. G. whether the expe of Rs. 1000 ^(in 1916-17) which Govt. recently sanctioned on temporary establishments in the office of the Commissioners for Govt. examinations, is inclusive of g.c.a. or whether g.c.a. should be paid in addition to the sum of Rs 1000

K | Educational propose to inform the A.G. that g.c.a. may be paid in addition. The terms of the order in G.O. 82 R. 27-3-16 give room for the inquiry; but in view of the circumstances referred to in para 2 above and of the fact that g.c.a. is required to be met from the annual allotment of Rs 1000 which was only recently fixed (G.O. 69 Jul 27-2-15), this allotment will have to be raised by an amount equivalent to the g.c.a. charges, the proposal at K which is suggested by past practice need not, it is submitted, be objected to. Letter from the Director of Public Instruction,
to the Accountant-General, Madras, R.C. No. 6767/15 dated
31st August 1915.

With reference to your audit slip No. A.B.H.
63

Kistna dated 16th August 1915 regarding the Grain Compensation allowance drawn for the temporary establishment, I have the honour to state that the sum of Rs. 1000 budgetted for in order to provide for the temporary establishment necessary for this office excluded the cost of Grain Compensation allowance. It has been customary to debit the charges on account of the Grain Compensation allowance due to the temporary establishment to the single head 'Grain Compensation Allowance' under Direction along with the Grain Compensation Allowance of the permanent establishment. This practice has not hitherto been held under objection. If, as stated in your memo under reference, the allowance should be met from the allotment under temporary establishment, the balance available will not be sufficient to meet the requirements for the current year under temporary establishment. I have the honour therefore to request that you will be so good as to state the special circumstances under which the objection has been raised this year and whether it is ^{insuperable} impossible as in that case it will be necessary for me to address Government to increase the allotment by the amount of Grain Compensation Allowance required for the temporary establishment for the current year.

I request the favour of a very early reply as provision will have to be made in the Budget estimate for 1916-17 which is now under preparation.
