(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

/Through Educational Department.
the Accountant General/

Sir,

In their order No. 1265 Edl., Mis., dated 22nd November 1915, Government were pleased to sanction the employment, for a period of one year from the date of employment, of an additional Sub-Assistant Inspectress in the Southern Circle, in order to remove the congestion of inspection work in that circle and especially in the West Coast Girls' Range. As no qualified female officer conversant with inspection work and Malayalam was available, M.R. By V.P. Subrahmanya Ayyar, Sub-Assistant Inspector of Schools, Coimbatore Range, who has a knowledge of both Tamil and Malayalam, was appointed to the new office with instructions to work under the orders of the Inspectress of Girls'

Schools, Southern Circle, pending the constitution of a new Range. This arrangement was made so that the annual inspection of the schools that could not be undertaken by the ~~xxx~~ Assistant Inspectress, West Coast Girls' Range, might be completed before the conference for the fixing of final assignments that was to be held in January 1916.

2. M.R.Ry V.P. Subrahmanya Ayyar joined duty on 1st December 1915 and in order to overtake the arrears of inspection work of 37 girls' schools -- 5 in Coimbatore and 32 in Malabar -- he was obliged to travel in these two districts, make several rapid marches in the course of his tour and incur heavy travelling expenses.

The ordinary travelling allowance for which he is eligible under the rules is his fixed travelling allowance of Rs.25 per mensem in addition to travelling allowance under article 1045 of the Civil Service Regulations. But he could not benefit appreciably under this article as the district of Malabar in which the major portion of his work lay is devoid of roads served by public conveyances and the inspection of schools scattered over that district scarcely rendered railway journeys possible. Thus he was entitled to little more than his usual fixed travelling allowance while making tours of an unusually expensive character.

He claimed, however, travelling allowance under the ordinary rules of the Civil Service Regulations under the mistaken idea that G.O.No.920 Edl., dated 20th August 1915 permitting Sub-Assistant Inspectresses to draw travelling allowances under the ordinary rules applied also to the male officers employed in Girls' ranges. His bill was countersigned by the Inspectress and passed by the Treasury Officer. The Accountant-General has now ordered the recovery of the amount overdrawn viz., Rs.119-9-0. I am satisfied, however, that in this particular case M.R.Ry V.P. Subrahmanya Ayyar had exceptional expenses to incur and was not extravagant

in his touring. To limit what he may draw to what he is strictly entitled to will involve him in loss and I have therefore the honour to recommend that he may, as a special case, be permitted to draw travelling allowance under the ordinary rules of the Civil Service Regulations just like Sub-Assistant Inspectresses during the period he was engaged in special inspection work Viz., from 1st December 1915 to 17th January 1916 - the date on which the new temporary range was constituted.

I have the honour to be,

S i r,

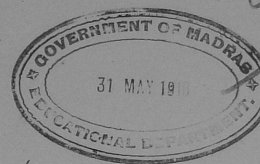

Your most obedient servant,

N. A. Arne.

2. There is no audit objection to the grant, as a special case, by Government, of travelling allowance, under the ordinary rules in the Civil Service Regulations, in lieu of his permanent travelling allowance to the sub-Assistant Inspector for the period 1st December 1915 to 17th January 1916 when he was in charge of the West Coast Girls' Range.
