Respected Sir,

I beg to bring the following few lines to your kind consideration and favourable orders.

I passed the School-Final Examination in the year 1912 with Sorthand & Typewriting as one of my optional subjects in which I obtained more than 50 %. I applied to several Government Offices to entertain me as a Typist, but every time I received a reply that I should pass the Elementary Grade in the Technical Examination. Now I beg to point out that the speed in Shorthand & Typewriting is 80 & 20 words respectively in the School-Final Examination, whereas in the Technical Examination it is only 60 & 20. I therefore see no reason why I should pass the Elementary Grade in the Technical Examination to qualify myself for a post in Government service as a Typist.

I request you kindly to let me know the No. of the G.O., if any, to the effect that candidates who have scored sufficient number of marks in the School-Final Examination may be treated as Elementary Grade in the Technical Examination. If there is no G.O. to this effect I pray that your honor may
