3. Owing to the arduous duties required of a European Warder it was not possible to secure candidates who are qualified - - - under examination rules for such employment. As regards the

qualifications of the above officers I beg to state as below:-

(1) Mr. A.N. Demonte. He was an Assistant Travelling Auditor - - in the South Indian Railway before he took up his appointment in the Jail Department. He has studied up to the High School standard and belongs to a respectable Anglo Indian family. He joined service in this Department on 3rd July 1915 and has been acting Deputy Jailor at Central Jail, Coimbatore for over six months. Lieut. Col. Fearnside reports that the applicant is - working satisfactorily and recommends his confirmation.

(2) Mr. R. Platel joined at Central Jail, Salem on 17th July 1915 and is a strong well built young man. He has sufficient education to enable him to do the duties of an European Warder. The Superintendent, Central Jail, Salem states that Mr. Platel is a good practical mechanic and he is useful in attending to the Oil Engines and machines in the Jail in addition to his work. His conduct is reported to be good and work satisfactory.

(3) N.S.Mahony. This applicant joined at the Penitentiary on 2nd July 1915. Previous to this date, he had on several - - occasions acted in the leave arrangements of the permanent - European Warders at the Penitentiary. Mr.Deane reports that he has worked satisfactorily and recommends his confirmation.

(4) O.DeMeder. He has studied up to the High School standard. He joined at Penitentiary on 7th October 1915. The Superintendent of Prisons, Madras reports that this European Warder is working satisfactorily and says that he may be confirmed. He is the son of a Jailor now in the Department.

(5) W.D.Webber has passed the old Lower Secondary Examination and studied up to the Matriculation standard. He was an - - Assistant Permanent Way Inspector on the South Indian Railway before he joined at Penitentiary. Lieut.Col. F.Thomas,M.D., I.M.S., says in his testimonial that this young man bears an exceptional character of very good merit and that he comes of a respectable parentage. He has been doing his work well at the Penitentiary.

(6) Abdul Rahim Sait. He is a Kutchi-Memon ^{belonging to a respectable} Sait family of good position in Ootacamund. He was entertained as an acting clerk in this office in April 1910. He has been put to work in all branches of the office and he carried out his work most satisfactorily. At present he is a permanent clerk on - - - Rs.20/- plus Rs.10/- Local Allowance. He has read up to the

45

Matriculation Class and possesses a certificate granted by the London Type-Writing Examination Committee. My predecessor, - Lieut.Col.Macnamara under whom this clerk worked for about - 5 years records that "he is an exceptionally well set-up and respectable young man and is reported to be extremely willing and good at his work. His only disability as far as I am aware is that he has not passed the Matriculation Examination. In point of education and ability I think he is quite equal to many passed men." There are very few Mahomedans in the Department and this is the only one belonging to that sect in my office. With a view to encourage this class, the exemption applied for is particularly recommended. Reference is kindly invited to G.O., No. 388 Public dated 14th February 1916.

R

(7) C.V.Lakshminarayaniah. is the permanent Typist of the - - office. He has passed the old Lower Secondary Examination in first class, Type-Writing Examination Intermediate grade and Shorthand Elementary grade. He is intelligent and does any work entrusted to him efficiently and correctly. He has been working in the office since 15th June 1909 as a Typist on - - P.25-1-35 and in my opinion richly deserves the concession - - applied for.

(8) T.M.Narayanaswami Pillai has put in 12 years service in the Department. He joined service on 1st April 1904 as 1st grade

5

grade Head Warder in the Central Jail, Vellore. As he was well up he was given the duties of Remission Clerk there by the Superintendent. Later on he was promoted and also transferred to the Jails at Bellary, Trichinopoly, and Berhampore. He was doing the duties of Assistant Store-Keeper and Deputy Jailor in these Jails. He was appointed Jailor, Sub-Jail, Russellkonda on 21st December 1912, which appointment he is still - - holding. Previous to his appointment in this Department he was a lance Naik and was discharged with a gratuity and holds Army School Master 1st class certificate. All the Superintendents of Jails under whom he worked state that he is fit for promotion. I recommend his exemption from the Examination Rules.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector-General of Prisons.

3. Abdul Rahim Sait - For orders
whether the D.S.'s recommendation
as regards this clerk will be accepted
for the reasons mentioned by the
D.S. It will be seen that the
recommendation is not purely in
the interest of the clerk himself, but
also to encourage Muhammadans
in the Deptⁱⁿ which they are reported
to be very poorly represented.

4. CV. Lakshminarayana is
at present a Typist on Rs 25-1-35
having passed the Typewriting Test
Intermediate Grade. His exemption
is recommended as a personal
concession and in view of his
good work. The D.S. does not
state whether passed men are
not available for clerks' posts in
his office. For orders whether the
Typist should be exempted.

Para (9) p. 4-5 C.F.

He cannot however be transferred
to a jail in the plains, unless
exempted by the Govt. Submitted
for orders whether, in view of the
fact that he has already been
drawing Rs 100 per m. for nearly 2½
years, he may be exempted from
the Examiner's Rules.

The I.G. of Prisons does not clearly specify the posts for which his nominees' exemptions are applied for. In the case of nos. ① to ⑤ exemption is apparently required for their employment as European Warders; in the case of ⑥ & ⑦ for employment as clerks and in that of ⑧ for employment as a jailer. In this view a draft order is submitted for approval. If approved, it may be sent to the Judicial Dept. for acceptance.

I would prefer a slight alteration in the draft. Nos 1 to 5 are not only required to be exempted for the posts of European wardens but for promotion to higher appointments in the Dept. if considered fit later on. I think all that is necessary to omit the words "in the posts mentioned against them" & not to specify particular appointments.

The D.G.'s intention appears to be that the restriction in the words quoted by him should be removed only in the case of nos 1 to 5 (European wardens) in the draft order. The mere removal of the words in question will enable the D.G. to appoint nos 6 to 8 also to any appointment. As this does not appear to be intended by the D.G. himself and as it seems unnecessary to extend the concession to nos 6 to 8, it is submitted that the words "for appointment as" may be

inserted before 'clerk' against No 6+)
and before 'jailer' against No 8
in the draft order, besides omitting the
words referred to by the D.G.
pen 1.6.16. With these remarks the
file may be returned to
