proceeding on active service. The question for consideration is how their equitation course should be arranged for. Perhaps the S. G. of Police may be asked if he can arrange to train the ~~to~~ students in riding at the Police Recruits' school, Vernon. A draft letter is submitted.

For 29/5/14 TON 31.5.16

Under the circumstances explained it is submitted the students may be exempted from undergoing an equitation course. It may be made one of the conditions of their being appointed to the permanent establishment of the P.W. that they are reported by the S.G. under whom they are working that they can ride.
