MADRAS.

Sir,

I have the honour to state that the Council of this Institute have resolved to establish tentatively for one year a work-shop in Madras for advanced instruction in carpentry and cabinet-making. It is hoped that the expenses incurred in running the work-shop will be recouped by the sale of articles made by the persons under instruction and if this hope is fulfilled similar provision may ultimately be made for other spheres of activity in which the Institute is interested.

The Council recognising that there is no one in Madras more competent than Mr. Hadaway propose to place the artistic control and supervision of the work-shop in his hands. They propose to pay him for his services during the year a honorarium of Rs.1,200/-.

I have accordingly the honour to request that Government

VICTORIA TECHNICAL INSTITUTE

will be pleased to sanction the payment to Mr. Hadaway of such an honorarium.

I have the honour to be,

Sir,

Register No. 1903 G-1

It is stated that Mr. Hadaway is prepared to undertake the ~~an~~ artistic control and supervision of the workshop proposed to be run by the Victoria Technical Institute, without detriment to his legislative duties in the School of Arts. But it is rather doubtful whether he could do so without detriment to his official duties. The S.P.D. however sees no objection to the proposal. ^(Vide p. 4 of) It is therefore for consideration whether sanction may be accorded to the acceptance by Mr. Hadaway of the remuneration of Rs 1200 for a year. This case should have come to Govt. through the Accountant General under rule IV (3) of the rules issued with the Govt. of India Resolution No. 249 E-11, of the 15th July, 1912, the Local Govt. have full powers to sanction the acceptance of the remuneration in question by Mr. Hadaway. (page 4 of Co. 479 which, of the 2.8.12). If it is decided to sanction the proposal the
