With reference to the enclosed letter from the Director of Industries No. K. 119 of 25.5.1916 The Collector of Customs, Madras, is informed that the Govt. of India have ~~not~~ decided to purchase the packages of dyestuff for sale to bonafide users of dyes in this Presidency, and he is requested to report whether, in view of the correspondence noted in the margin, it is proposed to levy any, ~~rent or~~ ^{charges} ~~account~~ of storage ^{charges}. It will be observed that the ~~the levy of such charges~~ will only enhance the price of the already costly dyestuff.

Sir,

With reference to Government Memorandum No. 1226 Sep. Rev./16-1, dated 2nd June 1916, regarding dyestuffs ex S.S. Barenfels, I have the honour to state that 234 packages have been placed in one of the godowns on the ground floor of the Custom House, and that, inasmuch as the area occupied by them is not likely to be required for other purposes in the near future, and in consideration of the peculiar circumstances, I do not propose to levy any storage charges.

I have the honour to be, Sir,

Your most obedient servant,

The Govt of India have decided to acquire the dye ex the S. S. "Barenfels" which are with Messrs Gordon Woodroffe & Co., Madras, on payment of their prices which are to be calculated with reference to the prices ruling in the Home market. The firm have been asked to ascertain the home prices ~~are~~ as early as possible. In the meanwhile with a view to prevent the accumulation of godown charges levied by the firm, the Director of Industries was asked to remove the consignment of dyes from their premises. From the Director's letter in the current file it is observed that the dyestuffs have been stored in ~~the~~ The Custom House on

on the usual terms for rent. Such rent charges will, it is submitted, add to the cost of the dyestuffs which are already too costly. It is therefore desirable that no such charges should be levied, if possible. It may be noted in this connection that, when the dyestuffs were in the premises of the Post Trust, the collector of customs was specially asked by the Govt to move the authorities of the Trust to waive demurrage charges on the cargoes in question & the proposal was agreed to by them. Similarly, the collector of customs may, it is submitted, be asked to waive rent charges now. The Revenue Deptt may be requested to do this if

To Chief Secy.

The packages of dyestuff have now been stored in the custom house, presumably because there is no storage accommodation in the ^{off} Director of Industries Office.

2 The collector of customs knows that the goods in question are to be purchased by Govt. shortly and he is not likely to charge any rent for storage, especially as, in September 1915, he recommended to the Post Trust Board the keeping of the identical dyestuffs in question on the Post Trust's premises free of charge and added that, if the Post Trust were unwilling to do so, he would have them removed to his own premises [^{vide} Page 2 of fo. 377 Mar. of 7.12.15]

It seems therefore, it is subd, that the reference to rent charges in the Director of Industries's letter on p.1 C.F. has been made without reference to the collector of customs. The ^{mat} question may, however, be
