(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

/Through Educational Department.
the Accountant General/

Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government for the temporary employment for a period of one year from 1st July next of an additional assistant on Rs. 40-2-50 and a Persian and Arabic Munshi on Rs. 30 per mensem in the Government Incomplete Secondary school for Muhammadans, Georgetown, Madras, in the circumstances explained below.

2. The present staff of the school is constituted

as follows:-

Rs. 107 800	1 Headmaster on Rs.60 - 4 - 80
23.1.14	3 Assistants on Rs.30 - 2 - 40 each
	3 Assistants on Rs.25 - 1/2-30 "
Rs. 228 200	1 Tamil Munshi on Rs.30
(A) 26.2.15	1 Combined Drawing and Drill Instructor on Rs.30.

It will be observed that excluding the last mentioned two special teachers there are only six teachers for general subjects while there are eight classes with a total strength of 133 pupils as shown in the margin. The Inspector of Schools, 4th Circle, reports that in some of the subjects the classes have now to be grouped together viz., Forms II and III in Drill, Mathematics and P.V. Science and classes in Drawing, story telling, recitation and occupations. He further states that under the present arrangement forms I to III are taught drawing only for one period a week and that if the Drawing master is relieved of his work in general subjects in classes

III Form	8
II "	20
I "	20
4th standard	26
3rd standard	19
2nd "	13
1st "	14
Infant "	13

	133.

1 and 2 he will be able to devote more attention to the teaching of Drawing in the above forms. The Inspector therefore strongly recommends the employment of an additional Assistant and states in this connection that it is very desirable that the pay of the post of first Assistant should be some what higher than that of the other Assistants and that the starting salary should not be less than Rs.40. It is further stated that there are at present 48 pupils reading Persian and Arabic in standards III to VII and that as desired by the parents of the pupils it is necessary to appoint a combined Persian and Arabic munshi on Rs.50 per mensem which is the pay sanctioned for the Tamil pandit in the school, as the class teachers whose attainments are low cannot be expected to teach Arabic and Persian efficiently. In his speech made in March last at the prize distribution of the school the Hon. Mr. Justice

Abdur Rahim suggested the appointment of such a munshi on the ground that Urdu cannot be properly understood without a knowledge of the above two languages. In the circumstances set forth above I consider the Inspector's proposals to be reasonable and that an additional Assistant on Rs.40-2-50 and a Persian and Arabic Munshi on Rs.30 are necessary for the efficient working of the school.

3. The extra charge amounting to Rs.560/- for the eight months of the current year can be met from the savings available in the recurring grant of Rs.30,000/- made for the improvement of Muhammadan Education in the current year's budget. It will be observed that the classes are at present comparatively small. The proposed additions to the staff should add to the efficiency and popularity of the school but its growth will be carefully watched and proposals for reducing the number of classes and teachers submitted if circumstances seem to justify this course.

I have the honour to be,

S i r,

Your most obedient servant,

G. W. Hussain

2. The present scale has been verified with the Registers of this office and found to agree except that a peon on Rs9/- has been omitted in para 2 of the letter of the Director of Public Instruction.

3. There is no audit objection to the proposal of the Director of Public Instruction being sanctioned.

4. The attention of Government is invited to Madras Government Confidential Memo No.8349-1, Financial, dated 28th December 1915.

5. The Director of Public Instruction has since intimated to this office that the extra expenditure can be met from the savings in the provision of Rs9,400/- made in the current year's budget under "Government Schools - General - Secondary Schools for boys" for opening Secondary Schools for Muhammadans at Vellore and Trichinopoly.

SUBJECT Additional temporary staff
to the Govt. incomplete Muhammadan
Secondary School, Georgetown.

It is proposed to employ in
the Govt. incomplete Secondary School
for Muhammadans at Georgetown
the following additional staff for a
period of one year from the 1st July 1916.

- (1) One first ^a teacher on Rs 20-2-50 p.m.
- (2) One Persian and Arabic Munshi on Rs 20 p.m.

2. The employment of an
additional assistant seems to have been
a long felt necessity. The Director
referred to it in his letter P.O. No.
10419/14, dt. 3rd Feb. 1915, but did not
press the matter as the school had just
then sustained a temporary fall in
strength owing to the prevalence of
cholera and other epidemics in the town.
The institution has since then recovered
- ed its normal strength and has now
on the rolls 133 pupils distributed over
eight standards including the infant.

Passing the headmaster and the staff for the teaching of special subjects such as drill, drawing, Tamil etc, the school has only two teachers for its eight classes; while under rule 28 of the Madras Educational Rules, a staff of eight teachers is admissible. The need for an additional assistant may therefore be conceded. The next question is as to the scale of pay that should be allowed. The Director ~~proposes~~ proposes Rs 40-2-50 and wants that the new post should be that of the first assistant. The proposed scale seems to be more too liberal seeing that the first post in the Khudatechalam school, the only Govt. institution of similar status that has been working for any considerable period, gets the same pay. There ~~is~~ ^{may} also be considerable difficulty in obtaining qualified Muhammadan teachers. The proposed scale may therefore be approved.

3. The Govt. having
already recognized the need for
the provision of special facilities

facilities for languages teaching in Muhammadan schools, the proposal to employ a Persian and Arabic Munshi may be agreed to. The pay of Rs 30 suggested for the Munshi is also suitable.

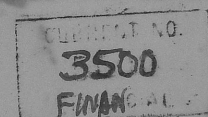

4. A draft order is submitted. If approved it may issue with the concurrence of the Government.

For A.S.

The proposal to appoint an additional teacher and a Persian & Arabic Munshi in the Government incomplete secondary school for Muhammadans in Georgetown, Madras, need not be objected to.

As regards the additional teacher ~~the~~ it would appear that as he is to be temporary for one year the initial pay of the last grade p. 2. cr. of Assistant (Rs 25- $\frac{1}{2}$ -30) or Rs 25 would be quite sufficient. But the D.P.I. has taken the present opportunity to secure not only this additional post, but also an increase of pay to the First Assistant. No proper reasons for this measure have been brought forward by the D.P.I.; and if any increase is to be given at all to this First Assistant who is a permanent teacher, it will have to be given as a permanent and not as a temporary measure. It is therefore for orders whether Edl. may be advised to negative this part of the scheme and to merely sanction an addl. teacher on Rs 25 p.m. for a year temporarily without g.c.a.

3. Educational will have to revise their draft accordingly and to communicate the Go. to A.G. through F.A. The case may be returned to that dept.
