From (Name) K. T. B. Tressler, Esq.,

(Designation) Director of Industries.

To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

I have the honour to state that I advertised the appointment of Workshop Foreman on Rs.250/- sanctioned for this office, and received replies.

2. Of these I have selected the following names:
Mr. K.G. Apte, Mr. R. Hawkins, Alwar Workshops, Mr. R.H. Legge, Mr. L. Arokiaswami.

3. The first 2 men require the full sanction of pay viz Rs.250/-, the 3rd is not worth more than Rs.200/-, the last is a practical working man and is worth Rs.100/- to 125/-. He wants Rs.200/- and is therefore ruled out.

4. Most of the other applicants appear to me unsuitable.

My selection is Mr. Apte, who at present holds the post of superintendent of the Chengalvaraya Naicker's Technical Institute on a salary of Rs.250/- a month. Unfortunately the demand for competent school Superintendents is greater than for shop foreman, and it is more difficult to get such men. For this reason I consider it bad policy to appoint Mr. Apte to the post with a view to permanency. On the other hand a temporary appointment of not more than 6 months (experience in my workshop) will give him an insight into my methods and would prove of extreme value to the school afterwards, and as Mr. Apte knows all about the work, he will be much more useful than an entirely new man to re-organise the shops. I therefore propose to appoint him for a period of 6 months at the end of which time he will revert to his educational appointment. The 6 months will also give me time to look round and make a careful selection for his successor.

6 I sign that this proposal may be sanctioned

I have the honour to be,

Sir,

Your most obedient servant,

Director of Industries.

SUBJECT.

Regarding the appointment
of a workshop foreman in the
office of the Director of Industries

It does not appear that there is
any objection to the appointment
of Mr. Apte as workshop foreman
in the office of the Director of
Industries. From the Asylum Press
Almanack it is observed that
Mr. Apte is an L. M. E., and is the work
shop superintendent of the Chenga
varaya Naicker's Technical Instit.
Kerary. His present pay is not
known. Mr. Dresser's intention
seems to be to appoint Mr. Apte
as workshop foreman ^{only} for six months.
A draft order sanctioning the pro-
posal is submitted below.

Licentiate in Mechanical
Engineering - evidently
a Diploma granted by
