Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government for the institution during the next school year commencing from July next, of a course of 24 lectures on First aid, Hygiene and Home nursing to the students under training in the Government Secondary and Training School for mistresses, Triplicane, and for the payment of a remuneration of Rs.360 at the rate of Rs.15 per lecture to the lecturer who will deliver the lectures.

2. The institution of a similar course of 12 lectures during the past year was sanctioned in G.O.No.150 Edl., Mis., dated 12th February 1916, and the Inspectress of Girls' Schools, Central Circle in recommending the continuance of the lectures next school year proposes that 24 lectures be delivered, of which 12 should be on First aid ~~xx~~ in preparation for St. John's Ambulance Certificate and 12 on Hygiene and Home nursing - the Examination for the certificates being held by the ^{lecturers} ~~teachers~~ at the conclusion of the course - and that both sets of lectures be repeated in Tamil for the benefit of such of the students as may not be able to follow them in English. She states that it is necessary that 24 lectures should be given every year as a knowledge of Hygiene, First aid and Home nursing are absolutely essential for the batch of young teachers who are sent out to the various schools every year.

I agree with the Inspectress and consider that 24 lectures are not too much to cover the subjects in question considering the low standard of general Education of the students.

3. Provision for the charge has been included in the Budget estimate of the school for the current year.

I have the honour to be,

S i r,

Your most obedient servant,

C. Krishnaswami
