Station M A D R A S, Dated the 9 June 1916

From (Name) The Hon. Mr. J.H. Stone, M.A., F.R.H.S., C.I.E.,
(Designation) Director of Public Instruction,
Madras.

To The Secretary to the Government of Madras,
Educational Department.

Sir,

With reference to G. O. No. 451 Educational Mis. dated 26th April 1916 approving my proposal to withdraw the recognition of the E. L. M. Training School for Masters, Tranquebar, from the 1st June 1916, I have the honour to state that the Honorary Secretary to the Missionary Educational Council of South India informs me that even while the school was under the management of the Leipzig Mission it was recognized by the Sweedish Mission as the school to which they sent their elementary students for training from the districts in which they carried on educational work, viz., Tinnevely, Madura and Ramnad, and that a considerable proportion

proportion of the cost of the upkeep of the school was met from the Swedish Mission funds. He also says that the school was also recognized by the Danish Mission as that to which they sent their students for training and that the closing of the school involves considerable hardship to these two missions, more especially to the Church of Swedish Mission. The Secretary also adds that if the order of recognition can be reconsidered and permission granted to admit new students for training after the vacation their admission will not be regarded as constituting any claim for stipendiary grant. I therefore now propose to continue the recognition to the school during the current year while it remains under the management of the Committee appointed in G. O. No. 253 Educational dated 8th March 1916 and to inform the Committee that Government accept no responsibility for the students that may be admitted for training into the school this year being able to complete their course. I understand that it is the intention to place the institution with a qualified European Missionary so that a considerable objection to the continuance of recognition will be removed. I beg to request that my proposal may be approved, and that orders may be issued on this letter at a very early date.

I have the honour to be,

Sir,

your most obedient servant,

G. B. S. S. S. S.

For Director of Public Instruction.

Recognition of the E.L.M. training school for masters, Tranquebar.

From the D.F.I. No.3219/16 dated the 9-6-1916.

Register No. 2008 Edl.

(N)

In G.O.No.253 Edl., dated the 8th March 1916, the Government sanctioned the continuance up to the 31st March 1917 of recognition to the E.L.M. training school for masters, Tranquebar, among other institutions, which were till then under the maintenance of hostile missions and whose management the Missionary educational council of South India were -- willing to undertake . But in G.O.451 Edl, dated the 26th April 1916, the Government approved the proposal of the D.F.I. to withdraw the recognition of the E.L.M. training school for masters, Tranquebar, chiefly on the grounds that there was no great need for the school and that if recognition and aid were continued, a fresh batch of students would be admitted for training this year and that the Government would therefore be committed to some extent, to

(M)

continue the school up to the end of March 1918,

when alone the students would be able to finish their

course. The Director, however, now proposes for the

reasons stated by him in his current letter, to con-

tinue the ^{recognition} ~~invitation~~ to the school during the current

year while it remains under the management of the

committee appointed in G.O.No.253 Ed1, dated the 8th

March 1916, on the condition that Government accept

no responsibility for the students that may be ad-

mitted for training into the school this year being

able to complete their course. In the circumstances

now represented by the Director, there seems no --

objection to approving his proposal.

A draft order is submitted for approval.
