Thro' The Accountant-General, Madras.

Sir,

With reference to paragraph 2 of my letter No.A-10/S dated 10th March 1916, I have the honour to state that I have received intimation from Messrs Sutcliffe Speakman & Co., that the balance of lime brick plant has been shipped per s.s. "Jan Farquhar" which is due to arrive at Madras on the 19th June 1916.

2. In my budget for the current year I provided a sum of Rs.10,000/- for working expenses and pointed out that a balance of about Rs.8,000 was still due on the plant to be delivered. As the plant was ready for shipment at th

time and there was sufficient allotment to meet the cost of the plant from last year's budget estimate I suggested that the expenditure might be met from that sum or that the necessary sum might be transferred to my credit this year. Neither course was adopted and I was told by the Accountant-General to apply for further funds when occasion arose.. I accordingly now request that the sum above-mentioned, viz., Rs.8,000/- may be sanctioned. I have no source from which the expenditure can be met.

I have the honour to be,
Sir,
Your most obedient servant,

No. 4107, dated 9. 6. 1906.

SUBJECT.

Additional allotment required for
the lime-brick plant.

The purchase of a lime-brick
plant was sanctioned by the Govt in
G.O. No. 1472 E.S., dated the 23rd December 1914.
A sum of Rs 35,000 was provided for
the purpose in the Budget estimate
for 1915-16. Mr. Treacher was not able to
obtain the whole of the plant before
the 31st March 1916. He reserved a
sum of Rs 8000 for payment of
the cost of the balance of the plant.
But this was not utilized before the
31st March last & it has therefore
lapsed. He now requests that
a fresh allotment of Rs 8000
may be sanctioned as the machi-
nery is expected presently. It is
submitted that a sum of Rs 10,000
has been provided for lime-brick
experiment in the current year's
budget. But Mr. Treacher requires
this amount for working expenses.
The cost of the machinery now
arrives.
