DATED 30TH JUNE 1916.

[SUBJECT.—Distribution of subsidies to local bodies for 1916-17.]

From the Director of Public Instruction, No. 4371, dated the 2nd June 1916.

The Director of Public Instruction submits proposals for the payment to local bodies of the subsidies similar to those sanctioned last year. The following statement compares amounts now proposed with those paid last year and the allotments made for the purpose in the budget:—

† Includes 18 shown under 22-C. Colleges.

‡ Included under net cost of secondary schools not shown here.

The distribution follows generally that of last year as modified with reference to the individual orders issued separately. The large variation under item (3) the maintenance of schools opened in 1915-16, is due to the fact that the allotment now

proposed is for the whole year including capitation allowance, while in 1915-16 the cost of maintenance for three months together with Rs. 100 for equipment for each school was alone sanctioned.

2. The statement forwarded by the Director has been checked with the previous orders. The only point that calls for remark is the omission of subsidy (of Rs. 5,000) to the Kistna District Board towards the maintenance of sessional schools on the ground that the schools have been closed. The Director has separately proposed the establishment of a training school at Ellore in place of these sessional schools. No orders have yet been passed on this proposal. The file has been sent to Local and Municipal for remarks. The training school to be newly established will presumably be under the management of the Government. There appears therefore to be no objection to the omission of the subsidy. If it is, however, decided later on to entrust the training school to the District Board, the amount now withheld may be paid to the Board.

3. A draft order sanctioning the distribution of the subsidy as proposed by the Director of Public Instruction is submitted for approval. It may be sent to Local and Municipal and Financial for acceptance.

S.A.—9-6-16.

4. Out of the provision of 16.70 made in the budget for the object specified on page 1 supra, the present proposals for distribution cover 16.63 lakhs, leaving only .07 left unutilized for the present. Most of the latter is due to the allotment for sessional school withheld from the Kistna District Board and referred to in paragraph 2 supra. This provision will be needed for new training school contemplated. Excluding this there will be very little out of the provision left and what little that remains will be needed for any urgent demands that may crop up during the course of the year.

LOCAL AND MUNICIPAL DEPARTMENT.

In regard to the establishment of a training school at Ellore referred to in paragraph 2 of the Educational Department note, it is submitted that the President of the Kistna District Board has been requested to ascertain and report the views of the District Board on the proposal to open the school and to meet its cost—

(i) by withholding from the District Board from the current year the recurring grant of Rs. 5,000 paid to that body for sessional schools; and

(ii) by the District Board replacing every year at the disposal of Government the additional amount that may be required for the training school—vide Memorandum No. 2791-1 L., dated the 16th May 1916. In case the District Board does not agree to the proposal, and proposes to re-open the sessional schools which have now been closed the question of making a grant for the purpose may be considered subsequently.

2. The proposed draft order may be accepted in this department and the file passed on to Financial.

FINANCIAL DEPARTMENT.

The civil budget estimate for 1916-17 contains the following provision for subsidies to local bodies for education:—

22-C. Government Colleges—General.

Page 140 of Civil Budget Estimate for 1916-17 (Final edition).	Rs.
(a) Municipal colleges	18,000
22-E. Government Schools—General.	
(b) Municipalities—	
(i) Secondary schools	52,800
(ii) Elementary schools	99,900
(c) Local Boards—	
(1) Elementary schools (including the provision of Rs. 20,000 for girls' schools) (Rs. 18,84,300 + 20,000 =)	14,04,200
(2) Secondary schools	79,600
(3) Sessional schools	63,800
	Total ...
	17,18,300
(d) Lump provision for additional capitation allowance, etc.	1,24,000
	18,42,300

Ibid.

2. Allotments made for the following purposes will be distributed later on:—

* Total of items (i) (2) and (viii) (2) on pages 40-41 of Budget Notes.	LAKHS.
Item (i) (3) on page 40 of ibid.	
† Total of items shown under 'non-recurring' under items (i) and (viii), pages 40-41 of ibid.	
Item (3) in paragraph 1 above, page 143 of Civil Budget Estimate.	
(i) Net cost * of secondary schools	.37
(ii) Compensation for loss of fee income in Jeypore.	.01
(iii) Buildings,† playgrounds, etc.	.10
(iv) Lump provision for additional capitation allowances, etc.	1.24
	1.72

The balance to be now distributed is (18.42 — 1.72 =) 16.70 lakhs, but the amount actually proposed for distribution is 16.63 lakhs.

The actual saving out of the provision is .07 lakh which is mainly due to the allotment (.05) for sessional schools in the Kistna district being withheld. As the question of continuance of the sessional schools is still under correspondence, and as Educational point out that the saving will otherwise be required, submitted that the sum of .07 lakh need not now be resumed.

2. With reference to the linked file,† where it is suggested by Financial that the amount of Rs. 191, which is being annually paid to the District Board of Narayanapur Panohama school, should be deducted from the subsidies to be sanctioned to the Board on account of the assumption of the charge of the school by the Government, the amount payable to that District Board has been accordingly reduced.
