From (Name) H.L. Braidwood Esquire, I.C.S.,
(Designation) President District Board, Chittoor.

Educational, &c.

To the Secretary to the Government of Madras,
Local and Municipal Department,
Fort Saint George.

Sir,

The Head Master Board High School Chittoor, requests that a Coach-house and Stable may be constructed in the compound of the School building. The Inspector of Schools third Circle, Bellary recommends its construction. I am also of opinion that such an out-house is quite necessary for an institution of the kind. It is required principally to house the pony and jutka which belong to the Head Master and in which he attends School daily. The estimated cost of the work is Rs.490/-

2. As the proposed outhouse will form a substantial addition to the School building, the question whether its cost will be met from Provincial funds has to be decided by Government with reference to G.O.No.750 Edl.Mis. dated the 16th August 1912.

3. In view of the facts set forth above and considering that the charge will throw an unnecessary burden on the District Board funds, I have the honour to request that Government will be pleased to make a grant of Rs.490/- for the work during the current year or permit the District Board to spend the amount first and include it in the net cost statement.

This is not admissible.

I have the honour to be,

Sir,

Your most obedient servant,

Again G.O., No. , dated 191
Current No. 2024 From the P. D. B. Chittoor No. 336 D.B. dated 2-6-1916.

SUBJECT. Construction of a coach house & stable for the Board high school, Chittoor.

⑧ Please see G.O. No. 750 Dtd. the 16th August 1912. With reference to that G.O. the question has to be decided whether the coach house and stable now proposed to be constructed in connection with the Board high school, Chittoor, are substantial additions to the buildings and whether their cost should be met from public funds. There appears to be no doubt that the new buildings are substantial additions and that their cost should, ~~originally~~ ^{originally} be met from Provincial funds.

2. The Board high school, Chittoor, is one of the institutions proposed to be taken over by Govt. - para. 2 of letter

⑨ no. 537 Dtd. the 16th May 1916. When the school is taken over some improvements to the buildings will be required. ^(to accommodate the Sunday morning classes) The D.P.D. has estimated their cost at Rs. 10,000 roughly. ~~It may be some time before this scheme is sanctioned or even referred to, and it may not be desirable to set the question of building the coach-house and stable~~ ^{may be deferred} pending the settlement of the question of the Govt's taking over the school so as to enable the D.P.D. to carry out all the improvements

simultaneously when the school comes under departmental management.

3. Perhaps the remarks of the D.P.I. also may be obtained on the proposal now before the file is forwarded to P.W.D. & Co.

I see no objection to this change being met from Provincial funds. I presume that it is established that the proposed buildings will not unduly encroach on the no question compound.

Educational Department

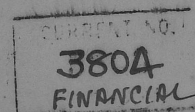

Submitted that this department may agree to the construction of the coach house and two stable on the understanding that 'A' above is satisfied. The file may be sent to the P.W.D. & Co. Financial for the issue of orders.

Financial dept.

Attention is solicited to the Financial dept. note on pages 5-7 of notes to G.O. 750 Educ. & 16.8.12. The buildings occupied by the Board High School, Chittoor, are Govt. buildings lent to the District Board for the use of the school. The cost of repairs is being borne by the District Board. In the G.O. referred to above, the Dist. Board was informed that the question whether the cost of any substantial additions and improvements to the buildings should be met from Provincial funds would be considered if and when an application accompanied by detailed proposals was made to Govt.

2. The President, District Board Chittoor, now submits an estimate of Rs. 490 for the construction of a coach-house and stable in the compound of the School building "to house the pony" and jukka which belong to

The Educational dept. Consider
that the buildings proposed
are substantial additions and
that the cost should be met from
Provincial funds. No precedents
are quoted by them for having
a coach-house and stable in
the Case of District Board Schools,
and the question is whether they
are absolutely necessary. There
is no evidence to show this
~~does not appear to be such~~, and
it does not seem that this
dept. should accept the
proposal. Orders are solicited.

For orders whether the proposal may be rejected as advised by the Financial Dept.

PP 37.16 The present pay of the head master is Rs. 150-200, & when the school is taken over by the Govt. the pay will be fixed at Rs. 200. The President of the D. Board (Mr. Braidwood) considers the onthorse to be "quite necessary" for the in-
tro-tion. The amount involved is only Rs. 490.
