(Through the Director of Public Instruction, Madras)

Sir,

I have the honour to refer to O.M.No.1261-6, dated 11th September 1915, Public, in which Government approved of the proposal made in my letter No.95 T.228, dated 24th July 1915, that M.R.Ry C.Ramamurthi, L.M.& S., B.S.Sc., should be appointed to act as Assistant to the Professor of Hygiene and Bacteriology, Medical College, Madras, in succession to Dr. P.S.Chandrasekhar, B.A., M.D., on the grade pay of a Civil Assistant Surgeon plus a teaching allowance of Rs.100 per mensem.

2. M.R.Ry. C.Ramamurthi has now submitted a representation (copy enclosed) in which he prays that he may be appointed

appointed sub pro tem to the Provincial Educational Service instead of being made to hold the appointment as a temporary Civil Assistant Surgeon. The appointment of Assistant to the Professor of Hygiene and Bacteriology at the Medical College is included in the Provincial Educational Service to the cadre of which service the appointment was added in 1907 (vide G.O. 759, Educational dated 14th November 1907). The grounds on which this Assistant Professorship has been treated differently from the others at the Medical College are (1) that the appointment requires considerable scientific qualification in addition to the usual medical qualifications and (2) that if the incumbent is an Assistant Surgeon he will under ordinary circumstances be liable to transfer like other Assistant Surgeons.

3. M.R.Ry. C.Ramanurthi is specially well qualified to hold the appointment and has in addition received a preliminary training for the purpose. I see no reason therefore why he should not be appointed (sub pro tem) to the Provincial Educational Service instead of holding the appointment as an Assistant Surgeon and I would recommend that his request be granted. I understand the Director of Public Instruction will have no objection to this proposal and I trust Government will pass orders accordingly.

4. If M.R.Ry. C.Ramanurthi desires to enter the Civil Assistant Surgeons' Service permanently he will, like other candidates, have to pass the competitive examination held for the purpose.

I have the honour to be,

My dear Todhunter,

I am sending you today through the

D.P.I. letter No.45/Es/T/149 of yesterday's date, about the appointment of Ramamurti as Assistant to the Professor of Hygiene, Medical College. Gt. have approved of this appointment as an Asst-Surgeon's post, but now Ramamurti petitions that he may be appointed sub pro tem to the Provincial Educational Service.

I am recommending this, but it may be well to point out that there may be difficulty in getting rid of him should he in the future prove unsuitable. I have little fear of this as he seems suited in every way for the appointment, but it is just as well to point this out.

Yours sincerely,

M. Ramamurti

Before the grade promotions proposed by the S.P.S. on page 1 ^{considered} ~~supra~~ are ~~considered~~, it has to be decided whether the vacancy which will eventually be created in the 9th grade of the P.E.S. should be left vacant or whether it should be filled immediately by the appointment thereof of Mr. C. Ramamurti, B.M.S., who succeeded Dr. Chidrasekhara Iyyer ^{as} professor of hygiene & bacteriology in the Medical College, Madras.

2. The original proposal was to give Mr. Ramamurti the pay of a 1st grade civil assistant surgeon, namely, Rs 100 and a teaching allowance of Rs 100 p.m. and to leave one post vacant in the P.E.S.

P.E.S. that proposal has been accepted both in Educational and Financial. If Mr. Ramamurti is now appointed to the P.E.S. as suggested by the S.G. it will be difficult to revert him when Mr. Chandrasekhara Ayyar returns from foreign service after a period of three years. He cannot be promoted to the higher grades in that service; ^{confirmed or} ~~and to keep him~~ in the 9th grade will block the promotion of other educational officers. On the other hand, Ramamurti will not lose anything if he is not appointed to the P.E.S., as he will be getting his grade promotions in the

2. There appears to be no objection at present to the proposal to appoint Mr. Ramamurthi pro tem to the Provincial Educational Service. If, later on, it is decided to promote Dr. Chandrasekhar's lien and make permanent provisions in his place, Mr. Ramamurthi may, if found suitable, be provisionally confirmed in his appointment and given regular promotion in the service. If Dr. Chandrasekhar reverts, Mr. Ramamurthi will revert also; he will then be appointed Civil Assistant Surgeon by the S.G.

V.T.K.

Chandrasekhar desire to revert to Postal Service after some years, it would be necessary to provide Mr. Ramamurthi with some other appointment. He can be ^{usefully} employed only as a civil assistant surgeon, but it will be rather hard to require him to pass the Competitive examination after he has put in some years' service. This rule can, however, be waived in his favour. As vacancies frequently arise in the grade of civil assistant surgeon, it will not be very difficult to absorb him in the grade in case he has to revert from his appointment as Asst. to
